SUPERIOR LIVESTOCK presents
HORNED CATTLE AUCTION
September 17, 2016
12:00 Central

OFFERING POTENTIALS, READY TO ROPE, BROKE IN AND BREEDING STOCK TEAM ROPING CATTLE

FIRST 1,000 REGISTERED BUYERS WILL RECEIVE A $20 NATIONAL ROPER'S SUPPLY GIFT CARD
Dear Superior Consignor,

Superior would like to invite you to consign to the first ever Superior Horned Cattle Sale. We’re very excited to offer Team-Roping Cattle to a national audience from our Historic Fort Worth Stockyards studio and broadcast on the internet at superiorclicktobid.com. The Superior Horned Cattle Sale will be advertised on The American Rancher, Superior Sunrise, Superior Livestock Auction/Productions Facebook page, YouTube and online at www.superiorlivestock.com.

Terms & Conditions
Superior Horned Cattle Auction

1. The sale will be held on September 17, 2016 at 12:00pm CDT in the Superior Studio, 131 E. Exchange Ave. Suite 121, Fort Worth, TX, 76164. Cattle are not onsite and sold by video on the internet at superiorclicktobid.com. Contract deadline is 5:00pm, September 9, 2016. The sale is open to horned cattle of team-roping type. A non-refundable consignment fee of $2.00/hd must be paid in advance. Commission is 6% of the gross selling price. The seller agrees to pay a repurchase fee of $10.00 per hd.

2. All photos or video submitted with consignment for publication are at risk and liability of the consignor. Superior Productions will not be held liable for copyright infringements. Photos/Video will not be returned.

3. Consignor shall make all reasonable efforts to ensure the accuracy of the information provided for each lot. Representations and guarantees of bred status are between Consignor and Buyers.

4. Bulls must have a negative test for Trichomoniasis. Exemptions are Bulls that are less than 18 months of age and can be certified as virgin bulls.

5. Sale Management, auctioneer or employees of Superior are not acting as an agent or representative of the seller or buyer but a means to bring buyer and seller together for purposes of a sale transaction.
6. Sale Management reserves the right to reject any entry. This can include, but is not limited to any cattle that management feels is not up to the quality of the sale due to sickness, poor condition, injury, drugging or otherwise.

7. Any irregularities must be disclosed to the sale management who reserves the right to announce findings from the auction block.

8. Sale order will be determined by Superior Productions’ Sale Manager.

9. It is the Consignor and Buyer’s responsibility to coordinate delivery, pick-up or meeting location for their sold cattle. When all possible Buyer and Seller should make arrangements for cattle delivery within 14 days. Seller will provide health certificate for shipping. Additional state mandated health tests may be necessary and will be done at the Buyer’s expense.

10. All cattle will be sold by the head. The Buyer’s full payment for the number of head sold must be sent by Wire Transfer or ACH to Superior Livestock Auction by the end of the 3rd business day following the auction. No cattle will be delivered to the Buyer until full payment has been received by Superior Livestock Auction. The Buyer or the Buyer’s Agent must be present at the point of delivery to irrevocably accept the cattle. In the event any cattle are rejected at delivery, Superior Livestock Auction will refund the Buyer any pre-paid funds in excess of the balance due on the accepted number of head. Upon delivery and acceptance of the cattle by the Buyer, Superior Livestock Auction will issue payment to the Seller for the number of head delivered, less consignment fees, commissions, Beef Checkoff and any other lawful charges by the close of the next business day following delivery.
Potentials Ready to Rope

1A  Potentials  Bulls, 10 Head  DOB: 5-6 months  Sex: Bulls

Sex: Heifers

A great set of heifers. 95% Corriente with the remainder being Corriente cross with Longhorn influence. They are black, red, brown with a few that have a white belly or star. They have been running with bulls all summer and will continue to run with bulls until delivery date of October 10- November 1. They will be sold as exposed and not guaranteed to be bred. They have just finished being hauled to ropings and these heifers could still be roped if needed. The heifers should weigh between 450 to 550. They are current on their shots and are wormed and vaccinated with Virashield 6, Blackleg and Cydectin every 6 months. Sells with the option to roll to the next lot.
