LOT 203	OUT
LOT 235	OUT

- All announcements made from the auction block take precedence over supplement sheet and catalog.
- Bulls will be brought into the sale ring as a group if there is a box around those specific numbers. Choice will be sold on that group, where the winning bidder then has the right to choose which lots he/she wants or sweep the ring at the winning bid X the number of bulls in the ring. Then the bulls remaining in the ring will be sold.
