Welcome to our 2017 production sale!

Welcome to Feddes/C-T Red Angus annual sale. We first of all want to express our deep appreciation to all of our friends and customers for your support of our program. We are very blessed to be a part of the Red Angus breed. Superior Livestock's video auction has documented information that shows Red Angus influence steers outsell any other breed, and females will top the market consistently.

If this is the first time you have looked into our catalog, here is a little about our program. We are a family-owned and operated business with roots in the Red Angus breed going back over 25 years. We currently calve nearly 400 Red Angus females and use extensive AI and ET programs. Our cows run under range conditions that vary from lower valley meadows to higher mountain pastures up to 8000 ft. We run our cattle with very limited hired help and believe that we can't represent our cattle accurately unless we manage the cattle we are marketing. We concentrate heavily on the maternal side because we believe that you need to start with a strong herd of mother cows.

If you want steers that top the market or replacement females that command top dollar, you better take a look at Red Angus. Red Angus Association of America has recently become a partner of Top Dollar Angus where producers of high-value Red Angus and Angus cattle can Top Dollar premiums. We have a Top Dollar Angus symbol on each of the bulls whose progeny are potentially eligible for premiums.

We are using the most advanced technology, including DNA testing, carcass ultrasound, and a strict culling program to bring you the best genetics. Every profitable ranch starts with the cowherd that works in their environment. We put tremendous selection pressure on our cowherd to bring you a genetic package that is balanced and consistent. We breed for "BALANCED TRAIT SELECTION," and don't chase fads.

Videos will be available around the second week of March.

We are very blessed to be able to do what we love, enjoying and caring for our cattle, and being good stewards for what our Lord has entrusted to us. And we are blessed to have so many friends in the cattle industry.

Once again, we are busy being involved with our kids and grandkids. WE see a lot of ball games, baseball, basketball, volleyball, 4-H events and are also involved in many church activities. Did I mention Hunting?

Above all we want to Thank our Lord and Savior Jesus for his indescribable gift.

Blessings from the Feddes and DeBoer Families

TERMS AND CONDITIONS

1. The terms of the sale are cash unless prior arrangements have been made.
2. Each animal will be sold to the highest bidder. The auctioneer will settle any disputes and his decision on such matters shall be final.
3. Any announcement from the block on sale day will take precedence over printed material.
4. Health certificates will be furnished for shipment anywhere in the United States.
5. Each animal becomes the buyer's risk as soon as sold. Cattle will be cared for, for a reasonable length of time at the ranch, at the buyer's risk.
6. Retained Interest: All bulls will sell half interest and full possession. The buyer receives full possession and full salvage value. The seller has the right to collect semen at the buyer's convenience, and the seller's cost. If the buyer wishes to share in the collection costs and revenues, that is his/her choice.
7. Registered heifers selling for more than \$1,750 will sell with papers. Less than \$1,750 will be sold as commercial.
8. All bulls selling will be covered 50% if they are injured during their first breeding season. 50% of the value of the injured bull will be given as credit in a future Feddes/C-T sale toward a replacement animal. All injured bulls must be diagnosed by a veterinarian. Please notify us by September 15 should an injury occur prior to the injured bull being sold.
9. Everyone attending the sale does so at their own risk. Owners, clerks or other helpers do not assume responsibility, legal or otherwise, for damages of any kind.
10. Free delivery to central points within the first 300 miles. Seller will pay 50% up to 1,000 miles.
11. A certificate of registry and transfer will be furnished for each animal sold as a registered animal after settlement has been made.
12. The above terms and conditions shall constitute a contract between buyer and seller of each animal.

These cattle do sell in accordance with the Sale Terms and Conditions set forth by the Red Angus Association of America.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

1-800-422-2117

We have made preparations to bid and buy your Red Angus Cattle through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's newest way to buy cattle! Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast live on the internet at www.superiorclicktobid.com – just go to the home page and select the auction. Remember, you can call in to bid over the phone when watching on the internet if you have registered for that service, but you must be a member of www.superiorclicktobid.com to "click-to-bid" and bid online. Your computer must have Flash Media Player installed to view the auction.

Bidders who are successful in making purchases will be contacted by Superior Productions after the sale to settle payment and discover your shipping plans.

SELECT OUR BULLS WITH EVEN MORE CONFIDENCE

We believe in providing our customers with the most accurate information possible. DNA profiling has advanced to the point that when added to a bull's pedigree and his own, individual data, the reliability of his EPDs increases significantly. Therefore, to better serve our customers, all of the bulls in the sale have genomic-enhanced EPDs through DNA 50K testing.

The table below shows the estimated number of progeny the DNA information adds to the reliability of the EPDs. For the growth and carcass traits, the higher reliability is equivalent to almost a complete calf crop of steer calves. For a maternal trait like Stayability, it's equivalent to getting information on at least three to four heifer calf-crops.

The genomic-enhanced EPDs are made possible through a partnership between the Red Angus Association of America and GeneSeek. Bottom line: we've made the investment so you can buy bulls from Feddes/C-T Red Angus with the highest possible confidence.

TOP DOLLAR ANGUS CANDIDATES

Look for the Top Dollar Angus designation on sale lots in this catalog!

Top Dollar Angus Feeder Program

Top Dollar Angus is a genetic-certification and marketing company focused exclusively on the top 25% of the industry in carcass and growth Angus and Red Angus-influenced feeder cattle. Top Dollar Angus is a program similar to other popular branded-beef programs, except that Top Dollar Angus does its "branding" in the feeder cattle and calf market.

Qualified herds must have two or more generations of Angus (Black or Red) genetics with growth and carcass traits objectively ranking in the top 25% of the breed based on documented historical sire use. DNA evaluation, conducted by Zoetis or GeneSeek, is another workable method to qualify. Once your cattle have met the necessary requirements, they will be marketed under the Top Dollar Angus brand and logo, and will be promoted aggressively to a large number of feed yards and buyers. In today's market, Top Dollar Angus cattle are seeing premiums ranging from \$30 to \$70 per head above the average market.

Why the premium? Cattle feeders know that Top Dollar Angus cattle perform better and have higher grid-based carcass rewards compared to other cattle. This puts more dollars per head into the cattle feeder's pocket, which can be passed back to the producer in the form of premiums paid above market price.

Top Dollar Angus helps take the guess work and surprises out of growing and feeding cattle. Feed yards are tired of unpredictable performance and wide-ranging profitability results from group to group on cattle they purchase. Cattle often look the same and have the same colored hides, but are very different genetically. That's why the genetic certification of high-end Angus and Red Angus feeder cattle is here! The industry must differentiate the best Angus and Red Angus genetics from average cattle, and that's what Top Dollar Angus will do for you!

If you have consistently invested in high-performance Angus or Red Angus genetics, Top Dollar Angus will make your cattle stand out from the pack and get you the premiums you deserve. No matter how you market your cattle, our goal is to create more demand and higher prices for your calves.

This is a **STUD**.... BR 94, WR 109, YR 107, IMF 134, BF 108, REA 129, 16.1 REA.

He has 8 traits in the top 8%, and 2 more in the top 18%, and none over 53%. He has a moderate frame with extra depth and thickness. He has come to the top of his class in every test so far, with a super gentle disposition. His dam is a moderate framed cow with a great udder & disposition. We plan to use D202 in our herd in 2017. This is certainly one of the best bulls we have raised.

He may just start a "Revolution" in the Red Angus breed. 6023 is a little extra framed Independence son backed by individual performance and a big-time cow family. He has extra length and muscle, a wide back and great feet and leg structure. He has nearly a 750 lb. WW and 1250 YW with 103 and 105 ratios all with a 78 lb. BW. Great carcass with our highest Marb ratio of 139. 12 EPD traits in the top 20% which will make him one of the most balanced bulls you will look at. Dam is a powerful Duke daughter stemming from our extremely maternal C-T Linsey 0964 Donor cow. Dam of our high selling bull last year to Bauman Red Angus ND (C-T Prime 5097). Don't miss this Independence son with calving ease, growth, and backed by a great cow. Dam's MPPA 101.2.

We have come to a "Conclusion" that 6016 is an extremely balanced bull in all his traits. He starts with a 78 lb. BW, going on to over 750 lb. WW and 1240 YW with both 104 ratios. He is moderately framed with a wide stance and an attractive profile. Conclusion also has very balanced EPDs with 8 traits in the top 19%. Hard to beat CED top 4% to YW top 4%. Dam is a little larger framed Conquest daughter from the maternal Verdi cow family. MGD was one of our high selling cows to Lucht Red Angus in the Big Sky Elite sale. Dam's MPPA 101.6

Red Squall is a "sure-shot" calving ease bull with impressive growth and carcass to go with it. 74 lb. BW with CED and BW top 3% and 5%. Over 750 lb. WW with a 106 WR and almost a 1300 lb. YW with 109 ratios. He ranks in the top 1% HB, 2% GM with 8 traits in the top 13%. He is a wide made bull with lots of muscle and a powerful phenotype. Dam is a great out-cross cow going back to Pasquale and Hobo Design, with his MGD 1142 producing one of our high selling herd bulls, Grand Design to Bauman Red Angus, ND.

D228 just keeps getting better and better. He has a modest BW & CED with top 1% WW & YW, ST 3%, Marb 5%, CW 1%, and REA 9%, plus HB 4%, and GM 3%. Weaning, yearling & IMF ratios are all 112. His sire adds some thickness, muscle & length to his calves, which means pounds. His dam is a beautiful Conquest X Hobbo Design, Blockana cow.

C-T New Model 6075 is a bull that has caught my eye since he was a calf. His dark cherry red color only compliments his extra length of spine and muscle, along with great feet and leg structure. He has solid performance with over a 750 lb. WW and 1220 lb. YW. Great carcass with a 124 Imf ratio and top 4% Marb. Dam is our popular Make Mimi Donor cow who is mother to one of our high selling herd sires C-T Royal Duke 4090. Don't miss this great New Direction bull! Dam's MPPA 108.2

RED RIGHT. NOW.

An independent university study compared six years of Superior Livestock Auction data, revealing Red Angus-sired heifers commanded from \$5 to \$9/cwt. more than females of all other breed types.

Learn more about the value of Red Angus-sired replacement females at
redangus.org.

The Red Angus female is the rancher favorite for replacements that deliver real profitability.

FCCP SWEEPSTAKES

Don't miss the chance to take home a cool grand – and be a winner in the marketplace – when you enroll in the Red Angus Feeder Calf Certification Program!

From January 1 to June 30, producers will be entered to win a \$1,000 cash prize with each bag of 25 FCCP tags purchased! It's a win-win scenario! This could be your lucky year!

A special drawing for Red Angus genetics providers will feature a .22 Henry Golden Boy trophy rifle. When tag purchasers call to enroll and they identify where they purchase their bulls, that seedstock provider will be entered to win the commemorative FCCP trophy rifle!

Research shows that calves identified as Red Angus genetics in the marketplace sell for a higher price. So, encourage your bull buyers to take part in this marketing program that has a proven track record. You're sure to be a winner with the USDA's longest running and most reliable genetic, age and source verification program!

Don't hesitate! Call to enroll your calf crop and automatically be entered in the sweepstakes today! Winners will be selected by random drawing.

**Contact Chessie Mitchell, tag program coordinator,
at chessie@redangus.org or 940-387-3502, Ext. 2.**

Full sweepstakes details are available online at redangus.org.
