## *Demand the Brand* **ANNUAL BULL SALE**

APRIL 7, 2017 • 1 P.M. MDT • Five States Livestock Auction • Clayton, NM

9 a.m. MDT, View cattle • 1 p.m. MDT, Bull Sale

GPS address: 54 Lake Highway, Clayton, NM 88415

Fellow Cattle producers:

It's an honor for us to offer these cattle for your evaluation.

We think this is a tremendous set of bulls that meet today's industry standards.

Our focus is on producing the very best genetics possible for the commercial industry. However, there are numerous herd bull prospects that can easily fit into registered operations as well.

Since we run a commercial cowherd of our own, we have good insight as to what the needs of producers in this part of the country are.

These cattle are range raised, with a no-nonsense, real-world approach. That being said, we do take our cattle to national shows all over the country and they compete in that arena very well, as exemplified by being the Premier Breeder at the 2015 National Western in Denver. The 240 sire, we are selling in this sale as Lot 1, also sired the Supreme Champion Bull at the 2017 National Western Stock Show.

The bulls were developed on a high roughage, high protein ration, and pastures big enough to get plenty of exercise.

They will have complete performance and ultrasound data available at the sale.

The bulls will be Trich, semen and PI tested, and health papers allowing them to go anywhere in the country.

We are excited to have Marty and Erin Mathis, our friends, neighbors and bull customer, join us to bring you some good black-baldy replacement heifers to go with the heifers we are selling. They are all bangs vaccinated, preg checked open, pelvic measured, PI tested and ready to breed.

Our thanks to Ken Dellinger and the crew at Five States Livestock Auction for providing us a great place to have our sale.

Thank you for looking at our program. If we can assist you in any way possible, don't hesitate to get in touch.

Come have lunch with us at Noon sale day.

Kindest regards,

The Copeland and Sons Family

### AIR TRANSPORTATION

Rick Husband Amarillo International Airport in Amarillo, TX, is approximately 140 miles from the Five States Livestock Auction in Clayton, NM. We suggest you allow 2 ½ hours of travel time between locations.

### TERMS AND CONDITIONS

All bulls sell according to the Terms & Conditions of the American Hereford Association.

### MORTALITY INSURANCE

Mortality Insurance will be available at the clerks office sale day.

### BULL GUARANTEE

All bulls selling have passed a Breeding Soundness Examination within 30 days of the sale. If injured within the first breeding season (in case of bulls, making them functionally infertile) we will provide you a satisfactory replacement or issue a credit equal to your purchase price, minus the salvage value that may be used toward the purchase of a bull in a future Copland & Sons LLC. Demand the Brand Annual Bull Sale. Breeding season is defined as the 90-day period following the first turn out of the bull(s). If you do not intend to use the bull for some time after purchase, we suggest an additional BSE by a licensed Veterinarian to assure the highest conception rates possible. We suggest normal management practices in caring for your bulls. This fertility guarantee does not cover a bull's ability to produce freezable high-quality semen suitable for artificial insemination.

Also, see page 21 for more details.

### JCS 240 FLINTLOCK 5815

One of the popular bulls in last year's sale purchased by ST Genetics in Texas.  
A maternal brother sells as Lot 15 this year.  
Dam: LJR MSU WHITNEY 182Z (#43283569)

### JCS 4641 MISS TURQUOISE 6076

The high-selling female in our Fall 2016 Internet  
Heifer Calf Sale who commanded \$72,250!  
Dam: LJR MSU WHITNEY 134Z (#43283533)

### JCS MISS KITTY 2418 (#43308739)

A son sells as Lot 19.

## THE PICK OF THE HERD FLUSH LOT

With high levels of interest, we have decided to add a twist to this year's Demand the Brand Bull Sale. We are going to offer a flush on any female solely owned by Copeland & Sons Herefords. This female can be a current donor or one of the up-and-coming young females in our program. Our donor pen is the epitome of our breeding program. These females combine all of the traits necessary to excel in our herd and the extreme conditions of Nara Visa—moderate sized, good udders and sound in structure with correct feet and legs. They produce our kind of cattle, and have gone on to raise a number of winners, herd bulls and donor dams for our customers as well.

The female chosen to be flushed has to be a solely owned female—partnership females do not qualify. Once the female has been chosen and is open and ready to flush, we will set the female up and flush her at the ranch. We guarantee 6 freezable embryos and one pregnancy if put in by a certified embryologist. There is no cap on the flush, the buyer will receive all the embryos produced from the flush. In the event 6 embryos are not produced Copeland & Sons Herefords will prorate the price per embryo and reimburse the buyer to make up the difference.

**The majority of the dams of the bulls selling qualify for the Pick of the Herd Flush!**

- Presenting a rare opportunity to own possibly the breed's best son of Churchill Sensation 028X! 240 is a proven predictable 11-star Trait Leader. This proven herd sire is a rare combination of calving-ease, with strong maternal strength and tremendous value added carcass merit! In limited use 240 has taken the Hereford breed by storm as he produced, BR Belle Air, the \$300,000 Supreme Grand Champion Bull at the National Western Stock Show. His sons commanded top dollar in last year's bull sale with ST Genetics in Navasota, TX, purchasing one of the top sons renamed Flintlock, who has gained notoriety for his impressive phenotype, solid EPD profile and for his ability to produce high quality semen that ST Genetics claims is some of the best semen they have put up to date of any breed. The daughters are very fertile and have gorgeous udders with perfect milk flow. 240 is the definition of a BEEF bull in every sense. He sires progeny that come light at birth, have vigor, are highly fertile and maternal machines in the making 240 posted impressive individual performance ratios of 88 for BW and 103 for WW. Even more impressive is the progeny average ratios 99 @ 96.4 for BW and 29 @ 110.2 for IMF.
- Take advantage of this opportunity, they do not come around often.
- Selling 1/2 possession, either fall or early spring possession, Copeland Herefords would want him back in time to breed cattle to calve the first of March, and 1/4 semen interest.

- This is one impressive individual and has one of the best EPD profiles in the entire offering. Dark red in color, red legged, red necked, red scrotal with added eye pigment. 6110 is a maternal brother to Flintlock, one of the feature herd sires that sold in last year's sale to ST Genetics. This polled herd sire prospect is one of the more unique bulls offered throughout the land this year! Posted impressive performance ratios of 92 for BW and 110 for WW.
- Ranks in the top 15% for WW, YW, REA and CHB, top 20% for CE and SC, top 25% for BW.

## HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note:** all of the lots in the sale will also be available for viewing online prior to sale day at [www.superiorlivestock.com](http://www.superiorlivestock.com).

Contact Jason Barber at (817) 718-5821 for more information.

### HERE'S HOW IT WORKS...

**TURN IN BIDS OVER THE PHONE.** This is our traditional method of buying livestock. To get started, simply go online to [www.superiorlivestock.com](http://www.superiorlivestock.com) and click on the tab titled "Register for a Buyer Number." Select the registration form of Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information, Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

**CLICK-TO-BID.** This is Superior's newest way to buy cattle! Registration is free, but you must become a member of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) to sign up. Becoming a member is easy, just go to the home page of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) and follow the outlined steps to get started. Input your information and select a username and password. From that point forward, you just have to sign in and select the sale you would like to register for and, once approved, you will be ready to bid online.

**VIEWING THE AUCTION.** The sale will be broadcast live on the internet at [www.superiorclicktobid.com](http://www.superiorclicktobid.com), just go to the home page and select the auction. Remember, you can call in to bid over the phone when watching on the internet if you have registered for that service, but you must be a member of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) to "click-to-bid" and bid online. Your computer must have Flash Media Player installed to view the auction.

**Bidders who are successful in making purchases will be contacted by the ranch after the sale to settle payment and make shipping arrangements.**

## COMMERCIAL BLACK BALDY F1 YEARLING OPEN HEIFERS

All heifers are guaranteed to be open and were pulled off wheat the first week of March.

All the heifers selling have been PI Tested, pelvic measured, calfhood vaccinated, pre-breeding shots and wormed. The heifers were all born the middle of February to the end of March.

---

## COPELAND & SONS HEREFORDS

*Lots* **101-115**

Sired by Angus bulls and out of Hereford Cows. Ranch-raised on the Copeland & Sons Ranch.

Selling in groups of 5 with the option to roll.

---

## MATHIS RANCH — HAYDEN, NM

Marty, Erin, Dillon and Dawson Mathis

*Lots* **116-145**

Sired by Copeland & Sons Hereford bulls and out of Angus-based cows.

Selling in groups of 5 with the option to roll. For more information on Lots 116-155, call Marty Mathis (575) 914-8402.

# THE POWER OF **BLACK.** **ONLY BETTER.**

---

## **HEREFORDS—THE EFFICIENCY EXPERTS**

Adding Hereford genetics to your herd makes perfect business sense in a cost-driven economy. Excellent conversion, hardiness, fertility, longevity and even disposition can help reduce input costs. These Hereford efficiencies are ideal for your herd, your business and your plans for the future. Low-maintenance cattle, long-term profit. Now that's power.

American Hereford Association • P.O. Box 014059, Kansas City, MO 64101 • (816) 842-3757 • [www.hereford.org](http://www.hereford.org)

©2006 American Hereford Association.

# STAND OUT WITH PROVEN GENETICS

## THE HEREFORD ADVANTAGE PROGRAM

*Increase added market power and brand recognition with feeder cattle sired by a Hereford bull battery ranking in the top 20% for \$CHB.*

### HOW TO GET STARTED:

Visit [HEREFORDFEEDERCATTLE.COM](http://HEREFORDFEEDERCATTLE.COM) to download the form.

Complete and submit form to American Hereford Association.

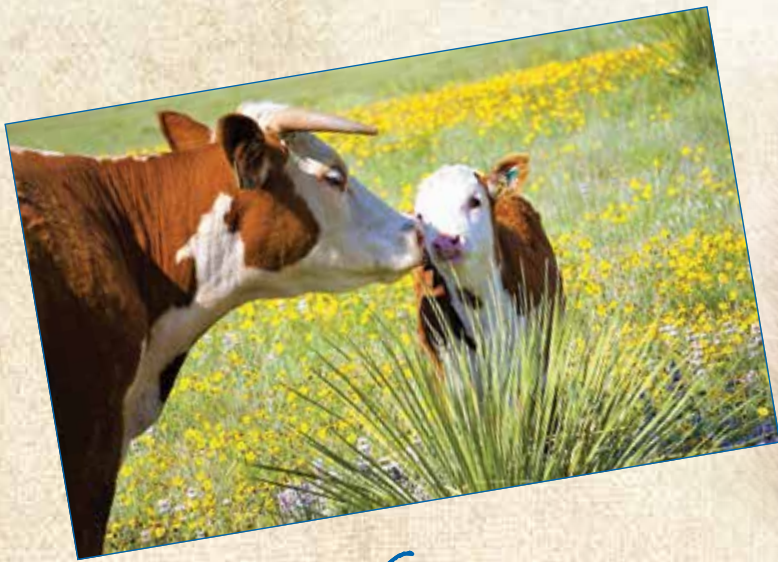

Information form with EPD rankings will be returned to the producer.

PERCENTILE	\$CHB
Top Value	50
Top 1%	36
Top 5%	32
Top 10%	30
Top 15%	29
Top 20%	28
Top 25%	27
Top 30%	26

Certified Hereford Beef Index (\$CHB) is a terminal sire index that is built on a production system where Hereford bulls are used on British-cross cows with a focus on gain and end product merit. To qualify for the Hereford Advantage program, cattle must be sired by registered Hereford bulls with transferred ownership, and the Hereford bull battery must have a \$CHB value ranking in the top 20%.
