Welcome to Express Ranches

2202 N. 11th Street
Yukon, Oklahoma 73099

Welcome to Express Ranches for our Annual Rancher's Fall Bull and Bred Heifer Sale. We greatly appreciate your interest in our offering which we strongly believe is one of the strongest ever.

We, at Express Ranches, are excited about the future of the cattle business and are proud to present you with this big, stout set of predictable Angus and Hereford bulls. At Express Ranches, our objectives are to produce high-performance, problem-free cattle that have moderate birth weights with superior growth and excel in Marbling and Ribeye.

To ensure we provide all of the information that is available, we are providing you with genomic enhanced EPDs on the bulls selling (this is the equivalent of them siring up to 20 progeny). This information provides you extra confidence in the product you are purchasing. We believe this new technology allows all of us to do a better job in improving our genetics and ultimately both our bottom lines.

With all of us experiencing increased production costs, we realize one of the most important economic decisions you make is your selection of bulls to keep your operation profitable. Rest assured through technology and common sense, we are doing our best to supply our customers with the best bulls we can produce.

If Kevin, Mark, Donnie, I or any of the crew can answer any questions or supply additional information don't hesitate to call.

Thanks for your interest.

Sincerely,

Bob Funk & Jarold Callahan

Call 800/431-4452 or 800/422-2117 to registered over the phone or if you have any questions.

EXPRESS RANCHES BREEDING GUARANTEE

We guarantee that all bulls sold by Express Ranches are fertile to the best of our knowledge and have passed a Breeding Soundness Exam 30 to 45 days prior to the sale. Although all bulls have passed a BSE, we know certain problems can arise after you receive your purchase. To help ensure your investment, Express Ranches will guarantee all bulls selling against breeding injury, and to be sound breeders for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. We will provide you with a satisfactory replacement, if available, or issue you a credit equal to the bull's purchase price minus the salvage value received for that bull. This is not a life insurance policy however. We will not replace a dead animal if it is killed or dies for any reason.

FREE DELIVERY TO CENTRAL LOCATIONS (bulls only)

Express Ranches offers its customers free delivery to anywhere in the lower 48 states. As a part of that delivery we work with reputable livestock transportation companies that we feel comfortable with in the handling of your cattle in both a professional and conscientious way. Express Ranches will do everything possible to deliver your cattle to a central location that is convenient for both you and the trucking company. Central locations for delivery will include auction barns, vet clinics and ranches that offer to serve as a delivery point. We will map out the route after the sale and do our best to get your bulls to you as quickly and conveniently as possible. If you would like to insure your cattle, you can do so on sale day. Most of the cattle to be delivered from the sale are delivered within 30 days after the sale. If you have any questions on delivery, please notify Kevin Hafner at (405) 641-8100.

Please assist us by leaving the correct contact people and numbers so our staff can keep you informed as to the status of your delivery.

We will also be offering a **\$50 PER HEAD REBATE** (bulls only) for customers who arrange to pick up their bulls here at our sale location within one week of the sale.

VOLUME DISCOUNTS

In an effort to show our appreciation to our loyal customers, we once again will be offering our VOLUME DISCOUNTS!

Remember, if you need a large number of bulls we have you covered!

5-9 BULLS

WE'LL TAKE OFF 5% PURCHASE PRICE AT SETTLEMENT

10 OR MORE, MAKE IT 10%

We hope this will make it a little easier to fill the truck!

EX Cooperator Bulls

Express Ranches works with a select set of cooperators that purchase genetics from Express Ranches. We consult these programs on breeding and management decisions. The resulting bull calves that meet our requirements are sent to Express Ranches at weaning and are raised, developed and marketed through our program. These bulls are a designed product of Express Ranches and are bred to be consistent with what is bred and born on our ranch. These bulls are sold with the same strict standards, 100% guarantee and terms that every bull sold here carries. Express Ranches owns these bulls with each producer, but in some cases the breeder on the certificate may not show up as Express Ranches. They will all carry the EXAR name and be branded EX.

Express Ranches Bull Development

All bulls are developed on a high roughage ration from weaning until sale time in large traps allowing them to get out and be bulls! We feed to obtain optimum performance while not sacrificing longevity! While extreme weights are impressive, we feel keeping cattle sound and functional are equally important. We have spent countless hours developing a feeding program that not only allows us to amplify the genetic potential, but keeps the cowman in mind that purchases him. All Bulls are on a 40-45% hay-based ration fed not over 3% of body weight. After all scan data is retrieved, bulls are backed off of feed, and hardened up to first turn out condition. This allows us to eliminate the bulls that fail to respond when conditioning for the upcoming sale. **To sum it up, we try to get the bulls into the same shape we like to buy them in!**

Sire of Lot 1

LOT 2

LOT 3

LOTS 2, 3, 4 & 5

Offering four future herd sires that are sons of 3F Epic 4631 and out of Sunrise 1482 who sold half interest for \$90,000 as the top valued donor of the 2016 Big Event and many believe that this young donor with elite genomic percentile rankings for CW, Marb, and REA offers the opportunity to create Angus cattle that combine eye appeal, power and carcass genetics in one dynamic package. And after you have had a chance to evaluate these 4 outstanding flushmates, you will agree!

Selling 2/3 interest and full possession. Herd Bull alert on this herd builder. Hard to find moderate birth with top 1% growth in a functional, appealing package. Don't compromise the carcass side of the equation either when you analyze \$CHB, and UREA in the elite of the breed. Lot 302 leads off a strong set of half-sibs by the up-and-coming "Remington" sire. Remington produces sons with performance and quality, not to mention muscle and stoutness. The "236" dam was Express's pick from Walker Polled Herefords in the 2014 Mile High Sale in Denver.

Express UU Bar Ranch - Wooderson

Spring-Calving Heifers

Here is an opportunity to buy into the Express program! This set of heifers were raised on our New Mexico ranch, then sold through our 2016 Fall Bull Sale to Wooderson Farms of Blackwell, Oklahoma. Heifers were developed on wheat pasture, then summered and bred on native pasture. Big, stout set of girls that have adapted wherever we sent them.

Take a look at the pregnancy results and you'll agree they acclimated very well by a 90% breed up in the first 30 days of breeding season! Sorted into like groups by color and gestation. Buy in groups of five with the opportunity to roll down a few pens at the same money!

XCEL FEEDYARD LLC

WATONGA, OKLAHOMA

Offering custom cattle feeding with competitive cost of gains and performance!

Common sense bull development with the ability to collect ultrasound data on site!

Replacement female development and breeding, with data collection on site!

Whether it's finishing your feeder calves, or developing purebred seedstock, Xcel has the technology and knowhow to get the job done.

Xcel prides itself on quality by offering rations that utilize steam flaked components adding palatability and utilization! Whether it's cost of gain or cost per day, we strive to maximize your investment while minimizing stress for you the producer!

We now specialize in heifer development, and can tailor a program to fit your needs to have them ready to breed on your target date!

Bull development is another area we now offer. We can maximize performance while paying attention to costs incurred and not sacrifice Bull longevity. By utilizing rations that will get the performance needed and not targeting maximums, we have kept cost per day figures much cheaper than most on the farm rations. This is mainly due to volume purchasing power, while not sacrificing quality of ingredients!

Take advantage of our centralized location, state of the art feeding technology, and knowledgeable staff with over sixty years combined experience in the cattle feeding and specialized programs industry.

Xcel, striving to earn your business by offering new programs to fit your individual feeding needs!

WHY WE TEST WITH i50K FROM ZOETIS

Powered by i50K™ from Zoetis, our cattle sell with genomic-enhanced expected progeny differences (GE-EPDs).

With GE-EPDs, we're proud that customers like you can minimize risk in their investment — and add predictability and dependability to your cattle.

The benefits of buying i50K-tested bulls and heifers goes much farther than this, however. You'll know early on what that animal is likely to transmit to its offspring and potential for performance in the feedlot and on the rail. And, you can verify the sire of calves and replacement heifers produced by the bulls you buy from us — through GeneMax® Advantage™ and GeneMax® Focus™ — to make better breeding and management decisions down the road.

Knowing an animal's potential. Continuous progress of your herd. That's why we test with i50K.

Number of progeny records in conventional genetic evaluation needed to achieve the same accuracy as GE-EPDs powered by i50K

The Bulls in this sale offering qualify for Superior Progressive Genetics

Superior Progressive Genetics (SPG) is a Value Added Program launched by Superior Livestock Auction to create a premium for commercial cattlemen when they sell calves on Superior by identifying load lots of cattle sired exclusively by bulls purchased directly from qualified seed stock producers. SPG brings attention to the investment commercial cattlemen have made by doing business with leading seed stock producers. Express Ranches and their bull-buying customers will be recognized by branding the SPG icon and Express Ranches logo on qualified load lots as the cattle sell on Superior's video sales live on RURAL TV and the internet. In addition to the qualified lots being identified on television, the lots will also be branded as SPG in Superior Livestock Auction's print and web sale catalogs.

Additional Benefits to Commercial Cattlemen Selling on Superior:

- Doing business with a reputable company who has your best interest in mind.
- Superior ties the commercial and purebred cattle industry together full circle.
- Largest cattle auction in North America along with the largest active buyer list.
- Can sell on contract to take advantage of current market conditions & deliver later.
- Established premiums for cattle on good health programs.
- Established premiums for many Value Added Programs.
- Cattle are sold "country fresh" direct from the ranch resulting in less stress.
- Seller determines weighing conditions.
- Seller does not have the expense of trucking.
- Payment is guaranteed to sellers thru Superior's bonded custodial account.

HOW TO PARTICIPATE AS AN ABSENTEE BUYER...

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com or www.expressranches.com.**

HERE'S HOW IT WORKS...

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number." Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. *Please note that high speed internet is required—this is not for dial-up or satellite internet.* Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy—just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 232. *Please note: there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on.* There are two places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember, you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid". Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at 800-431-4452.

**Buyers will be contacted by the ranch after the sale for payment and delivery details.
IF YOU NEED ASSISTANCE, CALL SUPERIOR AT (800) 422-2117.**
