Charolais friends and fellow cattlemen,

It is once again a pleasure to personally invite you to our second annual bull sale. As it always does, time has flown by and this year's crop of bulls have grown out very well. We are finding more and more that these age advantage bulls are in high demand. Seeing how the bulls have matured, durability, and covering more cows with less opens are just some of the advantages we are hearing from producers.

This years offering stacks up with the best we have had in the past. As always disposition, calving ease, good feet and natural muscling have always been the cornerstones of our program. We are continuously looking for top genetics to improve our herd so that these traits are passed along to our customers.

Like always, the bulls will be available to view anytime at the farm and will also be on display the day of the sale, but will not be walked through the sale ring. We invite you to join us at 1p.m. sale day in our heated sale facility or online when we will auction off the bulls. We will also have videos of the bulls available near February 1st at <http://www.superiorlivestock.com> and or on our website at <http://www.brobergcharolais.com>. We will always be available to visit with you one on one any time and answer any questions you may have.

Please come early to walk through the bulls and then join us for lunch at 11:30.

Sincerely,
Loren and Bev
Brent and Marykae

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy your livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is our online bidding platform where you are able to turn in bids by "clicking" on the internet. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved you will receive an e-mail confirming which sale you are now registered for. You will then be able to bid over a traditional computer or a tablet (but not a smart phone).

Viewing the Auction. The sale will be broadcast live on the internet at www.superiorclicktobid.com and www.superiorlivestock.com – just go to the home page and select the auction. If you wish to turn in bids over the phone the simplest way to watch the auction is from the homepage of www.superiorlivestock.com – you can even watch the auction on your smart phone or tablet from there. Remember, you can call in to bid over the phone when watching on the internet if you have registered for that service, but you must be a member of www.superiorclicktobid.com to "click-to-bid" online.

Bidders who are successful in making purchases will be contacted by the ranch after the sale to settle payment and discover your shipping plans. IF YOU NEED ANY ASSISTANCE PLEASE CALL SUPERIOR AT (800) 422-2117.

The acquisition of the walking rights in Resource was of tremendous genetic value and phenotypic improvement of the Broberg cowherd. His progeny are outstanding, not only at Broberg Charolais but across the nation. His sons and daughters continue to win shows and top sales from one end of the country to the other, including many sons in the championship pictures during the Denver Pen-of-Bulls Show. Fifteen of his sons averaged \$5,667 in last year's Broberg Charolais Bull Sale, including the high selling bull Broberg North Star D52 when one-half interest sold for \$18,000 to West Fork Ranch in Nebraska. Four other purebred breeders were bidding on him in the stands and on the phones. His sons exhibit breed improving performance particularly for Weaning Weight!

This old boy has been around here for a long time and still gives the Broberg's all the power, pounds and structure that they ask for out of a senior herd sire. But, its coming to an end as he finally went to greener pastures, so jump on board to some of these last sons. They have superior performance levels from weaning to yearling. His top 9 sons had an average weaning weight ratio of 104.2! His next influence into this program will be the stout, heavy milking, productive daughters that will carry his genetics into the next several generations.

These next two younger herd sires bring some of the breed's most popular ancestors both top and bottom side of their pedigree tabulation. Both of these bulls are out of the most popular, high performing donor dam's of the breed with JWK Clarice J139 ET as their dam. LT Ledger 0332, the sire of Paramount will go down in history as one of the greatest ever in the breed! WC Double Up 4128 P ET's dam is also J139 and his sire WC Doubletree 2009 another of a long list of LT Long Distance sons that got the job done. Sort through these sons carefully, many of them are studs.

This will be the first calf crop sold out of this up and coming herd sire. His sire DA Cash 732 is a full brother to DA Passport 502 that was a power sire a few years back and used across the nation. Their dam was the famous OW Miss Marion 0025 that set many sales records throughout the Midwest. The maternal side of this pedigree is another of the famous Lindskov-Thiel brood cow families – the Ballerina's! His dam LT Blue Ballerina 9405 was only one of a few LT young females to ever leave the herd and that was because Abbey Thiel wanted to show her and then a few flushes were sold out of her. Take a look at these sons, not very many, but they look good.

2018 SALE HIGHLIGHTS

This bull was the high-selling one-half interest Lot 5 Resource son in last year's sale that had many purebred breeders fighting to own him. Rosie Wilson won the bidding war and took him home for her West Fork Ranch, Loup City, Nebraska.

Broberg's North Star D52 —Picture taken after summer breeding season

This bull was the 2nd high-seller to another purebred operation Hassebrook Charolais, Bruce Hassebrook, Genoa, Nebraska. He was another herd sire prospect that had several purebred bidders again. He was Lot 8 and was a son of WC Beretta 2002, an ET son of DA Passport 502. Thanks again to all the potential buyers that bid upon these two herd sires the Broberg's are quite proud of.
