Welcome to the 9th annual President's Day Angus Sale. It's hard to believe how fast a year goes by. With each year come new opportunities. It is our pleasure to have the opportunity to produce top quality Angus genetics and have the opportunity to build lasting relationships with the customers that we serve.

We are extremely excited about the opportunity to share this offering with you, as we feel this is highest quality offering to date. The bulls have met our stringent production demands and have been developed on a high roughage ration with longevity in mind. The females are from some of the top ranches in our area that have purchased top bulls in past productions sales. This is an excellent opportunity to add outstanding females to your herd with a lifetime of earning power.

Take advantage of this opportunity on President's Day Feb. 17th to add top quality Angus genetics to your herd. We know that our success depends on the success of our customers and we look forward to the opportunity to serve you as your seedstock source. We welcome visitors at any time and look forward to seeing you sale day!

Jeff Penz, Kelly Albrecht

VOLUME DISCOUNTS ON BULLS:

- 5% on purchases of 5 to 9 bulls by a single buyer**
- 10% on purchases of 10 or more bulls by a single buyer**

The auction will be conducted in a heated facility with videos of each bull running during the sale while the bulls will be on display outside the facility for inspection.

Mike Marlow - (405) 880-0108
Matt Myers - (405) 315-7258
Chad Reising - (406) 665-6058

DIRECTIONS TO THE SALE SITE:

See map on the inside back cover.

ACCOMMODATIONS:

Choctaw Casino & Resort (800) 788-2464
4 miles south of Durant, Oklahoma, on Hwy. 69/75
(Sale Headquarters)
Durant, Oklahoma
Hampton Inn (580) 924-0300
Holiday Inn Express (580) 924-9777
Comfort Suites (580) 924-8881

AIRPORTS:

Durant Municipal Airport, Durant, Oklahoma
Dallas/Ft. Worth International Airport is about 100 miles south of Caddo, Oklahoma.
Will Rogers Airport, Oklahoma City, Oklahoma, is 170 miles north-west of Caddo, Oklahoma.

TERMS AND CONDITIONS:

The sale offering is guaranteed to be fertile and reproductively sound in accordance with the terms and conditions recommended by the American Angus Association. All bulls selling have passed a breeding soundness exam prior to the sale. This guarantee does not cover injury or death. In the event of a problem, the buyer is responsible

to return the animal to either Albrecht or Penz and if the animal does not respond as a satisfactory breeder, will have the option to select a suitable replacement, if available, or take a sale credit. Any potential claim must be made by September 1st of the year purchased.

SUPPLEMENTAL INFORMATION: A supplemental sheet will be available sale day with complete and up-to-date information. Announcements from the auction block take precedence over sale book information. All registered lots are AM, NH, CA, M1, D2, DD, OH and OS free unless otherwise noted. Albrecht and Penz are retaining one-third revenue sharing semen interest in every bull selling in this sale. Full possession and full salvage value sells on all bulls unless otherwise noted. Sale bull photos were taken mid-November.

BULL DEVELOPMENT: Bulls have been developed on a high-roughage ration.

VIEWING: The cattle may be viewed at the Freeny Ranch all day sale day and in the afternoon on Sunday, February 16, 2020, or prior to that at Penz Angus Ranch, north of Bokchito, Oklahoma, at any time.

HERD HEALTH: All cattle will be accompanied by proper health certificates for immediate shipment.

TRUCKING: Truckers believed to be reliable will be available to assist you in shipping your purchases. Free delivery on bull purchases of \$4,000 or more, within a 500-mile radius or a \$50 discount per bull picked up sale day.

LIVESTOCK MORTALITY INSURANCE: To properly insure your investment, James Bessler will be available to assist you with mortality insurance. (815) 762-2641

FOOD AND REFRESHMENTS: Will be available sale day

Last but not least, this bull records an individual birth ratio of 87 combined with an individual weaning ratio of 103 as the first calf from a two-year-old dam.

This bull is sired by the \$450,000 Coleman Bravo 6313 from a dam by the Pathfinder Sire SAV Net Worth 4200.

COLEMAN BRAVO 6313 - Sire of Lot 164.

Association Perspective
Low-birth-weight EPDs
 Looking at a single trait on EPDs costs performance and money.

by **David Gazda**,
 regional manager,
 American Angus Association

One of the most common concerns I hear from commercial producers using Angus genetics is the size of calves at birth. Instinctively, my first thought is that the producers experienced calving problems due to the calves being too large at birth. However, the problem generally tends to be just the opposite, where the calves have been extremely small and light at birth, struggled to nurse and never caught up with their contemporaries from a growth standpoint.

Upon visiting with the producer and reviewing the bull's registration certificate and EPD profile, I usually discover a common theme – the producer had been selecting primarily for calving-ease, low-birth-weight-EPD bulls with no regard to any other traits. This is certainly understandable if the producer is breeding heifers and needs a certain level of calving ease delivered by low-birth-weight Angus bulls. Furthermore, in the southeast, like many other areas of the country where cow herds are relatively small, the herd bull may have to be multipurpose, breeding both heifers and mature cows with, again, emphasis being placed on calving ease.

At the risk of being controversial, many of these small calf scenarios could be eliminated if the producers would simply be willing to accept more birth weight, particularly when breeding mature cows. One only has to attend a production or test station sale to witness firsthand how the heavier- birth-weight-EPD bulls are penalized and therefore sell at a substantial discount. Have calving-ease and low-birth-weight EPDs been overemphasized to commercial producers? Maybe; maybe not.

Regardless, the commercial producer equates Angus genetics with calving ease, fertility, maternal strength and carcass quality, and as seedstock producers we are challenged daily to deliver those genetics.

In closing, producers need to select bulls that allow them to reach their production goals; however, single-trait selection based upon an individual's birth weight EPD may needlessly sacrifice additional pounds at weaning. Next time you are in the market for a bull, don't discriminate against a little more birth weight EPD. You will still receive the calving ease you have always expected from Angus and a few extra dollars in your pocket at weaning!

President's Day

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

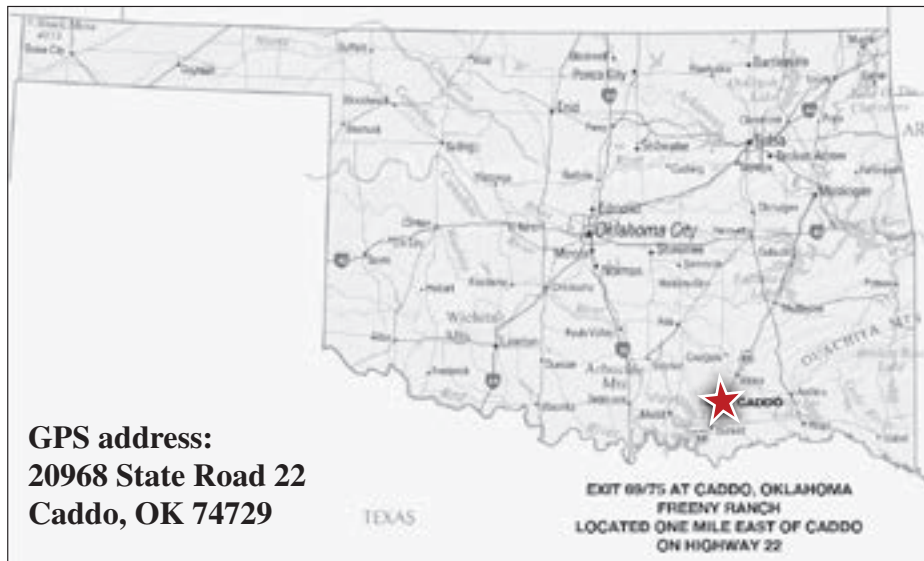

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on SLA-TV (DISH Network channel 997). Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live in Hi-Definition on the internet at both www.superiorlivestock.com and www.superiorclicktobid.com. The video feed on the homepage of www.superiorlivestock.com looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember you can call in to bid whether watching on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid".

Buyers will be contacted by the ranch after the sale for payment and delivery details.

IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.
