**MONDAY, MARCH 30, 2020 • 1 PM MDT**  
Five States Livestock Auction • Clayton, NM

Dear Fellow Cattle Producers,

Welcome to our Demand The Brand Annual Bull Sale. This has been a real good set of bulls to watch develop. They were produced with a balanced approach of phenotype and actual performance as well as EPDs as an additional tool. They are produced by a cow herd with selection pressure for excellence for 77 years. Fertility is our only maximum trait. All other traits are in a balance to select for cattle that can survive in real-world commercial environments. Traits like docility, feet and leg structure, and the best teat and udder design possible is a constant. So, you can be assured we are doing everything we can to produce bulls that will add value to your calf crop and replacement females. These cattle have stood the test of time.

The bulls were developed with a growing ration and ran on native grass pasture, and have been semen tested, Trich tested and PI tested. They will have health papers to go anywhere.

We will once again have some excellent black baldy replacement heifers sired by our bulls in the sale. Thank you to Marty, Erin, Dawson and Dillon Mathis for bringing some of their best. We too will have some heifers in the offering.

Our thanks to Five States Livestock Auction for providing us with a great place to have our sale.

Come have lunch with us sale day.

If we can assist you in any way, please don't hesitate to call.

Kindest Regards,  
The Copeland & Sons Family

COPELAND & SONS ANNUAL BULL SALE • MARCH 30, 2020

## ABSENTEE BIDDERS: HOW TO PARTICIPATE ON THE PHONE OR ONLINE

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for buyers unable to attend in person on sale day.

Please note that all of the lots in the sale will also be available for viewing online prior to sale day at:

[WWW.SUPERIORLIVESTOCK.COM](http://WWW.SUPERIORLIVESTOCK.COM)

Contact these Superior Livestock representatives to buy bulls or to sell calves sired by bulls purchased in this sale:

**WILL DURRETT**, Wildorado, TX • (806) 433-6601

## Here's How It Works...

**TURN IN BIDS OVER THE PHONE.** This is our traditional method of buying livestock and is the suggested process for anyone who does not have excellent, high-speed internet. To get started, simply go online to [www.superiorlivestock.com](http://www.superiorlivestock.com) and click on the tab titled "Register for a Buyer Number." Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information, Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

**CLICK-TO-BID.** This is Superior's online bidding program for cattle buying. *Please note*, high-speed internet is required—this is not for dial-up or satellite internet. Registration is free, but you must become a member of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) to sign up. Becoming a member is easy; just go to the home page of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) and follow the outlined steps to get started. Input your information and select a username and password. You will receive an email confirming you are a member. From that point forward, you just have to sign in and select the sale you would like to register for and, once approved by the ranch, you will receive an email confirming which sale you are now registered for.

**VIEWING THE AUCTION.** Sale will be broadcast on [www.superiorclicktobid.com](http://www.superiorclicktobid.com). The video feed on the homepage of [www.superiorlivestock.com](http://www.superiorlivestock.com) looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember, you can call in to bid whether watching on the TV or on the internet, but you must be a member of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) to "click-to-bid."

*Buyers will be contacted by the ranch after the sale for payment and delivery details.*

**IF YOU NEED ANY ASSISTANCE, CALL SUPERIOR: (800) 422-2117**

## ALL BULLS IN THIS SALE QUALIFY FOR SUPERIOR PROGRESSIVE GENETICS

Superior Progressive Genetics (SPG) is a Value Added Program launched by Superior Livestock Auction to create a premium for commercial cattlemen when they sell calves on Superior by identifying load lots of cattle sired exclusively by bulls purchased directly from qualified seedstock producers. SPG brings attention to the investment commercial cattlemen have made by doing business with leading seedstock producers. Copeland Herefords and their bull-buying customers will be recognized by branding the SPG icon and the Copeland Herefords logo on qualified load lots as the cattle sell on Superior's video sales live on television and the internet. In addition to the qualified lots being identified on television, the lots will also be branded as "SPG" in Superior Livestock Auction's print and web sale catalogs.

### Additional Benefits to Commercial Cattlemen Selling on Superior:

- ✓ Doing business with a reputable company who has your best interest in mind.
- ✓ Superior ties the commercial and purebred cattle industry together full circle.

Makers Mark is one of the unique herd bull prospects to sell this spring from a phenotype and genotype standpoint. This homozygous polled herd bull is built right from the ground up in every aspect with tremendous design, shape, structural correctness and overall killer look.

When you search the AHA database Makers Mark is the only progeny of Blueprint that pops up when you figure in his CED and YW EPDs for minimums. Amongst the entire AHA database when you figure in his CED, YW, CW, UDDR and TEAT EPDs he is the #1 Herford bull or female in the entire breed.

His donor dam was the leadoff female in the 2018 NWSS Grand Champion Pen of Three. She is a beautifully designed female with added power, look and equipped with a gorgeous udder.

Herd bulls of this caliber that combine an elite phenotype and elite genotype profile of Makers Mark stature do not come around often. He is right for the times, the industry and his impact that he will have in the Hereford breed could be unmatched.

**Recommended for use on heifers.**

**Selling 1/2 possession and 1/4 semen interest.**

Buyer will have choice of spring or fall possession.
