Dear Cattlemen:

Welcome to our 38th Annual Bull Sale. We would like to sincerely thank you, our customers, for your support and acceptance of our program.

Since the early 1980s, we have stressed economically important traits - gainability, feed efficiency, red meat yield, and reproduction. With linear measurements, ultrasound, and EPDs, we have developed bulls that calve easy, wean heavy, gain well in the feedlot, and yield high value carcasses at harvest.

These goals have kept us on the same path since the beginning. For the most part, we have developed our own sires, our own female base and our own breeding program with few popular lines.

We have not added any new EPDs yet. We have used the same ultrasound system and the same technician for nearly 30 years. I feel that Cornell system we use is more accurate than the CUP system that most other breeders use. In the head to head comparisons we have done, the Cornell system excelled every time in predicting the genetic potential for ribeye area and marbling.

Despite the high accuracy of the measurements, the data has been refused by AICA. As actual ultrasound data is used to calculate several new age EPDs, many of our bulls won't have these new numbers.

You can select from several different sire groups of half brothers offered in the sale. All bulls selling will have passed a breeding soundness exam.

This will be a video-only auction - the bulls will not be going through the ring. We hope you can stop by prior to the sale to look through the bulls. If you can't be on hand sale day, we will be broadcasting the sale on DVAuction and also via Superior Click-To-Bid. You will need to register prior to the sale to buy. We will be offering phone bids and click-to-bid online bidding on each lot. More information on how to bid through DVAuction or Superior is listed on the inside back cover of the catalog. If you have any questions, call Tom at (308) 550-0254 or (308) 536-2050.

Before you come to the sale, be sure to check our website for the latest road closings and alternate routes to get to the ranch. Join us for lunch before the sale - Papa Tom will have the grill fired up. See you on the 9th!

Sincerely,

Tom & Sandy Sonderup and Family

How to read the information in this catalog

As you look through this year's Sonderup Charolais Ranch, Inc. catalog, we thought we should explain the information listed. We believe the more data available to us, the more accurately we can select cattle that will work for you.

EPDs are the Expected Progeny Differences from the Charolais Association or Red Angus Association and are current as of the time of printing of the catalog. These EPDs will change over time.

ACT BW — is the bull's actual birth weight.

ACT WW — is the bull's weaning weight, then adjusted to 205 days of age.

WWR — is how that bull's weaning performance compared to the other calves of the same sex in the pasture group.

ADJ YW — is the bull's yearling weight, then adjusted to 365 days of age.

ADG — is the bull's average daily gain on test.

ADJ 365 REA — is the actual ribeye area from ultrasound adjusted to 365 days of age

MRB — is the genetic potential for marbling that the bull will pass on to his progeny. This information was obtained with ultrasound and has been verified with actual progeny testing.

Star System

Growth — length of the body, expressed as a star system.

Fleshing Ability — heart girth size compared to length of body, expressed as a star system.

Muscle Dimension — width of rump as compared to height, expressed as a star system.

NOTES

HOW TO PARTICIPATE AS AN ABSENTEE BUYER

With **SuperiorClickToBid.com**, you can participate in an online auction in just three easy steps:

STEP ONE: BECOME A MEMBER OF THE SITE: Membership is free. All you need to do is click on the "Become a Member" tab, fill in the required info needed and create your own username and password. This will allow you to register for the auctions that you want to participate in.

STEP TWO: REGISTER FOR AN AUCTION: Once you have your username and password, simply find an auction you're interested in, and click on the "register" button. Your registration request will be sent to Superior, and once approved, you will be notified that you can now bid live for that auction.

STEP THREE: BID WITH CONFIDENCE: On sale day, simply login, browse to the auction that you desire to participate in, and click the "Bid Live" button. Simply follow along with the auction, and when the price that you want to bid appears, click on the bid button. You will be told if you are the current high bidder, and if you won the lot.

OTHER WAYS TO PARTICIPATE: If you are unable to participate live, you are encouraged to leave an absentee bid. Simply browse to the auction and the lot that you are interested in, enter your absentee bid in the box, and click submit. Your bid will be executed by Superior at the appropriate time on your behalf.

Buyers will be contacted by the ranch after the sale for payment and delivery details. IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.
