## 37TH ANNIVERSARY WELCOME!

Dear Friends,

Welcome to the 37th annual offering of what we consider to be the nation's top gelding sale. We say that as we have built our reputation through honestly representing every horse that passes through the ring. We feel fortunate and pleased that we have offered and sold an outstanding set of horses for the past 37 years and do plan on keeping them coming your way in the years to come. Our family-run sale carefully selects these horses for quality, disposition and soundness. When you purchase a horse from us you can be confident in what you take home. We stand behind these horses to be exactly as represented - 100%. 37 years of selling horses has been a pleasurable experience and we are proud of our endeavors. We thank you for interest in our horses and will happily assist you in any way we can in selecting a horse for your needs. Please feel free to call or email the owners of these horses if you want further information about any of them in this catalog.

Wyo QH Ranch Sales do accept phone bids. You must contact Carole Smith to set this up and it must be done at least 48 hours before the sale begins, thus by Thursday 1:00 p.m. Since there are several documents that have to be in place, please plan in a timely manner. Thank you!

Have fun and thanks for attending! - Bill Smith

BARBOSA - Arrgh matey, from the shores of the Bartlett Ranch, across the Seven seas to Thermopolis, Barbosa has made his journey. This stud colt is one of the friendliest horses we have on the ranch. He lost an eye as a baby and we've had our hands on him ever since. He may have a slight blemish but it hasn't affected him. He moves out nice and is a good traveling horse. One of the barn favorites he is sure to be missed. Five Panel Negative. Tattoo No. F145.

Her sire Vabellez is one of our great racing studs that throws us a lot of athleticism without the hot temper. Bluebonnet is sure to be an outstanding horse and will race into your heart. He has a full sister in the broodmare band and has had a brother that was the high selling two-year-old in our fall sale. PEANUT — I guess we could have called this gelding Dunkin or Donut, but really Peanut fits him. He is a little "Peanut" with a big personality. He is bred to be a reiner and has all those maneuvers-he is one handed broke and a pleasure to ride. He made a long trip from New York directly to Wyoming and has made the adjustment well. Peanut is people friendly and gentle. He's been ridden in the hills this spring and has all the arena moves. He would make an enjoyable trail horse, 4-H project, or family horse.

NEVADA is a force to be reckoned with in a sweet little package. This girl has some high-powered cow-bred horses on both sides of her pedigree, and her quick-thinking mind definitely shows that. She's got a great buckskin color and a true in-you-pocket personality. She's agile and speedy enough to excel in any discipline. The great thing about owning mares is that they make great riding partners AND they can pass on their stellar bloodlines, so you really can't go wrong. Nevada is as gorgeous as her namesake state and is more than ready to do whatever job you can give her. Tattoo No. GB461.

BOURBON — Tie a ribbon around this sweet little bay package. He may have a lot of miles but talking horses that's a good thing. You won't need a charging station or a fuel pump to power this engine... Just a little hay and a lotta love is all this guy needs. Always dependable to start, never breaks down, power steering, cruise control, and even a built in winch that can pull anything. All the bells and whistles! Bourbon is an all-terrain 4x4 that can power through rain sleet, snow, and mud. Better dress for the weather though folks, this guy only comes in a convertible top so climate control is completely weather dependent. He's versatile and multi-purpose from slow leisurely Sunday afternoon family drives or kick it into high gear and go chase down some wild cattle. Forget MotorTrends car of the year... SHILOH – CHROME, CHROME, CHROME. This easy-going filly is not only gorgeous with her big white socks and blaze, but she's athletic, clever, and independent. During halter breaking season, there was not much that phased her. She caught on quickly to everything we threw at her and doesn't really care what her friends are doing. With her intelligence, chrome, and Peptoboonsmal/Playgun bloodlines, she is not one you're going to want to miss out on. Tattoo No. G105.

ELS Scottish Nick, reference sire.

MIKEY – Seeing Mikey go will not be an easy thing to do. He has been Ricko's go to horse since he was a three-year-old. He is very well broke and you always feel you are mounted no matter the job ahead. He has been in every situation you can think of and you can always feel at ease with him. Mikey has a strong ranching background from brandings and doctoring cattle to going over rough trails. If friends or guests come to the ranch Mikey is the horse we put them on regardless of their level of experience he will take care of them. He's shown a strong desire to rope, this horse will rip after a cow faster than you can blink and loves it when the rope comes tight, it may be his favorite thing to do! He stays calm, relaxed and willing no matter what is asked of him. There has been times where he has been rode every day for a week and times where he has had weeks off and turned out but regardless he is the same horse. Ricko has been working at the Bartlett Ranch for over four years and Mikey is his all-time favorite Flying B. Tattoo No. 326W.

He is a fine cross of ability, trainability and athleticism that will be a big asset in the plans you will have for him. His conformation, mind and pedigree just add to those assets. He was started by Challis Whitlock this spring and comes to you with a lot of hands on training and four good rides. Work, arena, performance, versatility or trail, there is a lot of great opportunity and a promising future for this young gelding.
