

Annual Bull Sale

DEMAND THE BRAND

Monday, March 29, 2021

MONDAY, MARCH 29 2021 • 1 PM MDT • FIVE STATES LIVESTOCK AUCTION • CLAYTON, NEW MEXICO

FELLOW CATTLE PRODUCERS - WELCOME TO OUR ANNUAL DEMAND THE BRAND SALE.

The most exciting thing that has happened to our family, in the past year, is the marriage of Matt and Alyssa. They had a tremendous wedding event. We could not be more excited and can't wait to see what the future holds for them. The ranch has a very bright future with them working side by side to keep making forward progress in all areas.

The bulls have been developed in large pastures and fed with their future usefulness in mind.

The cowherd that produced these bulls has had a tough range environment to evolve in for the past 78 years. Our no nonsense approach will assure you that they will survive in a real world environment.

We apply constant pressure on feet and legs to produce great structure and the ability to get around in big country. Along with good docility, our cowherd excels in high quality functional udders. Our cattle have stood the test of time.

The bulls will have complete performance and ultrasound data available by sale time.

The bulls will be PI, Trich, and fertility tested prior to the sale, and have health papers available to go anywhere.

Check out the black baldy heifers as they are pretty fancy.

Our thanks to Five States Livestock Auction for providing us with a great place to have the sale.

Also thanks go to our long time veterinarians, Donald and Mark Reif, for keeping our cattle in top notch health.

Thank you and if we can be of any assistance, before or at the sale, please feel free to call on us.

Kindest Regards - The Copeland and Sons Family

- 0880 is truly one of the best individuals ever produced at Copeland & Sons Herefords. He displays tremendous rib shape, volume, muscle expression, squareness of hip, structural integrity and flat out has that herd bull look. His donor dam, 3511, is one of the best females to ever grace the pastures at Copeland Herefords. Copeland's had the misfortune of losing his sire, Royal Blend, recently and they feel strongly enough about 0880 that they want to keep half interest in him, as he will be the replacement for his sire.
- He is straight horned bred top and bottom. The future is bright for this elite up and coming herd sire.
