SATURDAY, AUGUST 21, 2021

7:30 A.M. Breakfast

11:00 A.M. Big Event Sale - 300+ Head Sell

The Oak Ridge Boys

Theirs is one of the most distinctive and recognizable sounds in the music industry. The four-part harmonies and upbeat songs of The Oak Ridge Boys have spawned dozens of Country hits and a Number One Pop smash, earned them Grammy, Dove, CMA, and ACM awards and garnered a host of other industry and fan accolades.

The Oak Ridge Boys have sold over 41 million units worldwide and are synonymous with "America, apple pie, baseball, and country music." The group—Duane Allen, Joe Bonsall, William Lee Golden, and Richard Sterban, members of the prestigious Country Music Hall of Fame (2015 Inductees) and the Grand Ole Opry (since 2011)—is known worldwide as one of recording history's most extraordinary musical successes. They have charted single after single and album after album—gold, platinum, and double-platinum, and more than 30 Top 10 hits, including No. 1 chart-toppers "Elvira," "Bobbie Sue," "Thank God For Kids," "American Made," and "Y'All Come Back Saloon," among dozens more.

2021 marks the 40th anniversary of their Grammy-winning song "Elvira" which was originally released in 1981. While written in 1966 by Dallas Frazier, The Oak Ridge Boys decided to record the song for their album, Fancy Free. The song went on to reach number one on Hot Country Songs for Billboard and reached number 5 for Billboard Hot 100. "Elvira" has continued to be a classic, played in over 100 countries, added to over 109 editorial playlists, and has reached 5 million plays on Apple Music.

2021 also sees a new album released—Front Porch Singin'. Recorded during the pandemic, it was imperative to create a project that offers up just what the lead single details; love, light, and healing. Building anticipation for the upcoming album, the first single, "Love, Light And Healing." The Oak Ridge Boys continue to connect us all through their heartfelt lyrics and uncluttered vocals.

A Bar Bunkhouse Band

The lively music performed by A Bar Bunkhouse Band of Claremore, Oklahoma, will have the audience wanting to jump up and dance to the classic western swing tunes. All four band members are accomplished fiddle players but each has his own way on the stage with Merrit Armitage playing the guitar and singing vocals. Brother Turner Armitage joins him in singing the rousing tunes made popular by bands like Bob Wills and the Texas Playboys. Joining the two brothers on stage are cousin Landon Morgan, whose upright bass; and Jake Duncan, a renowned fiddle player who has won several contests, round out the musical group's foot-stomping sound. Although Bob Wills and the Texas Playboys have had the biggest influence on the band's style, Merrit also cites Django Reinhardt, a pioneering European jazz guitarist and composer, as another strong impact on their style of music. "Django's music has been described as a gypsy style swing," Merrit says. "We try to draw from the style of the Big Band era but we don't have a full orchestra. We have what people around here call a ranch band, playing in a smaller setting. It's feel good music," he adds.

(I-40 & Mustang Rd) • (405) 494-7600

AIR TRANSPORTATION

Will Rogers World Airport in Oklahoma City is only 15 min. from the Yukon ranch and is served by most major airlines. For assistance with travel arrangements, call: Express Travel Service (800) 828-3124 or Express Ranches (800) 664-3977.

LOCATION: The ranch and sale headquarters is located west of Oklahoma City just north of Yukon, OK. Take the Garth Brooks exit (Exit 136) off of I-40 in Yukon. Go 3.5 miles north. The sale entrance is the first entrance to the ranch on the east side of the road.

Welcome to Express Ranches

On Behalf of the Funk Family and the Express Ranches' Staff

Fellow Angus Breeders,

On behalf of Bob Funk and the entire Express Ranches' crew, I would like to invite you to join us for our 25th Annual Big Event Angus Production Sale. Wow, what a past 18 months for all of us—we are really excited that things are somewhat returning to normal and we are really proud of all the people in agriculture for continuing to feed the world.

One of the things that continues to keep me excited about the Angus seedstock business is the amount of knowledge and information we now have available to make our decisions to improve this already great breed of cattle. At Express, we try to keep basic form to function common sense and then incorporate all the additional available information and technology at our disposal.

I believe that those who invest in superior Angus genetics will reap dividends over the next decade and that they and the beef industry will be better off for it.

Bob is as excited as ever in hosting everyone for this year's Big Event and looks forward to providing everyone with an enjoyable evening of great food, entertainment and unparalleled hospitality.

We would like to thank all of our past customers and supporters, and hope you can be with us again this year.

Sincerely,

Jarold Callahan

Jarold Callahan

Both Days...

Both Days...

HOW TO PARTICIPATE AS AN ABSENTEE BUYER...

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

HERE'S HOW IT WORKS

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number." Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. Please note that high speed internet is required—this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy—go to the homepage of www.superiorclicktobid.com and follow the outlined steps to get started. Input your information and select a username and password. You will receive an email confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an email confirming which sale you are now registered for.

Viewing the Auction. On both days, the sale will be broadcasted on DISH 997. *Please note*, there is a short delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live on the internet at www.superiorclicktobid.com—just go to the home page and select the auction. Remember, you can call in to bid whether you watch on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid." Your computer must have Flash Media Player installed to view the auction. If you have any questions, call Superior Productions at (800) 431-4452.

Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.

**SUPERIOR CUSTOMERS, call (800) 431-4452 if you need assistance.
LIVEAUCTIONS.TV CUSTOMERS, call (682) 816-4900 if you need assistance.**

•Selling 1/2 Interest with the option to double the price and own full interest.

Dam has five progeny scanned with an impressive average URE ratio of 110 and her \$140,000 maternal brother measured an adjusted URE of 17.2 square inches with an adjusted 365 day weight of 1,559 pounds. This fall yearling with elite percentile rankings for the growth traits combines that with an exceptional top 1% Calving Ease Direct EPD and a minus Birth Weight EPD that is rarely found in combination with her levels of \$Combined value index, \$Beef value index, \$Feedlot value index, Yearling Weight EPD, Weaning Weight EPD and Marbling score EPD.

Produced by the donor dam that records the NUMBER 1 Weaning Weight EPD and the NUMBER 1 Yearling Weight EPD among ALL active dams in America's largest registered Angus seedstock operation, their maternal brother EXAR Vanguard who sold two-thirds interest for \$140,000 in the Express Spring 2021 Bull Sale after being one of the most popular bulls on the grounds at the 2021 Cattlemen's Congress where he led the Express Pen of Five that were crowd favorites. Their maternal brother records the highest Weaning Weight EPD and highest Yearling Weight EPD of any Angus bull ever collected and marketed at ORigen and is a power favorite of everyone that sees him.

• A heifer pregnancy from the mating of the \$95,000 EXAR Chloe donor that is a flush sister to the \$85,000 Select Sire Wilks Regiment to the \$132,500 EZ record-setting EZAR Step Up that is now the featured young sire at Edisto Pines and EZ Angus Ranch.

• Chosen by Express and EZ Angus Ranch as the \$95,000 top-selling female of the 2019 Wilks Ranch fall sale, this daughter of the now-deceased ORIGEN EPD leader WAR Calvary B063 Z044 descends from the Basin Chloe 812F female that was a foundation donor at Express after producing the Express Pathfinder Sire Basin Franchise and sold half interest for \$125,000 to 44 Farms in a past Big Event as an aged cow. The donor dam of these pregnancies is a flush sister to Wilks Regiment, the \$85,000 two-thirds interest top-seller and crowd favorite of the 2020 National Western Angus Bull Sale and the grandam of these heifer pregnancies was a \$100,000 bred heifer selection from Wilks Ranch at Vintage. Elite for Rib Eye area measure EPD, \$Combined value index, \$Beef value index, \$Feedlot value index with superior Weaning Weight EPD and Yearling Weight EPD predictions, the donor dam will be a big part of the future for both Express and EZ.

• A heifer pregnancy from the mating of the \$80,000 EXAR Rita donor that topped the first sale for Wall Street Cattle Company to the rare and value Clarity outcross sire that was a \$60,000 feature of the 2020 Connealy Spring Bull Sale.

• Chosen by Express and Wilks Ranch as the \$80,000 top-selling female of the first Wall Street Cattle Company Sale in the fall of 2020, the exciting donor dam of these heifer pregnancies descends from the \$250,000 past record-setter G A R Precision 819. Ultra-elite for \$Weaned calf value index, \$Combined value index, \$Beef value index, \$Grid value index, Weaning Weight EPD and Yearling Weight EPD, this young Express and Wilks donor is one of a special sort of non-parent females that have BOTH a Marbling score EPD and a Rib Eye area measure EPD that exceed +1.00. The grandam of these pregnancies had a weaning ratio of 118 and a yearling ratio of 113 on her only natural calf with AHIR data and 10 progeny scanned have an average URE ratio of 106.

CONGRATULATIONS TO THE **468** JUNIORS NATIONWIDE WHO HAVE PURCHASED HEIFERS FROM EXPRESS RANCHES AND HAVE RECEIVED NEARLY **\$4,454,000** IN SCHOLARSHIP AWARDS

EXPRESS RANCHES SCHOLARSHIP PROGRAM

INTRODUCTION

The Express Ranches Progressive Junior Scholarship Program is designed to help America's youth to continue their education by enrolling in undergraduate courses of studies at an accredited two or four year college, university or vocational technical school. It is designed for juniors who want to accumulate scholarships year after year.

ELIGIBILITY

1. The animals must be purchased from Express Ranches at public auction or by private treaty.
2. The animals must be bought and registered by a junior and be in his/her name.
3. The year of purchase and receipt of payment determines which year you will qualify under the graduated program: If you purchased and paid for an animal in calendar year 1995, that is year one. Animals purchased and paid for in subsequent calendar years qualify you for additional years. If any year is missed, the future purchase will be credited to the next year of purchases. (i.e. If you purchased in 2000 and 2002, the 2002 would be the second year of purchases.)

4. The year of purchase (one, two, three, four or five), not the year of the show, will determine which scholarship year will be honored.
5. If the animal wins more than one year in the same show, the scholarship winnings will be honored both years from the year purchase was made.
6. In appreciation for purchasing cattle from Express Ranches in 1994, we will count 1994 as year one for those wonderful buyers. Thank you for your confidence in us.

To qualify for each scholarship, the student is required to submit the proper information of verification on the Express Ranches Verification Form and provide proof of winning. The calculation for the Junior Scholarship will begin in the month the verification papers arrive at Express Ranches.

Each **Express Ranches Progressive Junior Scholarship** will be funded by Express Ranches in the name of recipient in the Express Ranches Scholarship Program Account.

The **Express Ranches Progressive Junior Scholarship will have a 5% to 10% Scholarship Award added annually which is set based on market conditions, and will be reviewed annually by the advisory board**, from the month of beginning until the funds are properly distributed to the accredited two- or four-year college, university or vocational-technical school. The Express Ranch Scholarship Program will process scholarship awards, to the schools, in mid-August and mid-December. Checks will be made payable jointly to the recipient and to the educational institution and must be endorsed by both. Qualified expenses include tuition, books, related fees, and room and board. Qualifiers must complete their education at the accredited college, university or vocational-technical school of their choice on or before their 30th birthday or the remaining portion of their Express Ranches Progressive Junior Scholarship fund will be forfeited. There will be a third party advisory board administering the scholarships. The board will be appointed by Express in staggered terms. The current advisory board is: Kyle Haley, Jack Stuteville, Eddie Sims, Ryan Cotton and Sonny Booth.

This scholarship will be non-transferrable unless approved by the advisory board. Any questions or changes will be decided and or approved by the advisory board. The Express Ranches Scholarship Program will be audited annually.

SCHOLARSHIP PROGRAM PAY SCHEDULE

Year(s) of Purch.	1st Yr.	2nd Yr.	3rd Yr.	4th Yr.	5th Yr.	Steers (any year)

EXAR Princess 5341 is selected to be the lead-off heifer in the 2021 Express Big Event Sale as she is considered to be one of the top prospects ever produced at Express. This late-born February daughter of Dameron First Class has a near-flawless phenotype as she is not only super sound and powerful, she is also extremely attractive, well balanced and excels in depth of rib and body volume. Her dam, EXAR Princess 6150, is rapidly becoming one of the top donors at Express and her progeny are a feature of this offering.

•EXAR Frontier Gal 1654 has been a favorite of many of the visitors to the ranch. Produced by EXAR Frontier Gal 4865 and sired by S&R Roundtable J328, this exciting early February prospect possesses all the attributes to have amazing success in the show ring. 1654 combines substance of bone, stoutness and strength of hip and hind leg, excellent depth of rib and flank, with a long, very attractive neck and front end. The combination of all of these desirable traits should make this featured prospect a contender at all levels.

•Sells Open.

•Sired by the reigning ROV Show Sire of the Year, Colburn Primo 5153, the February prospect excels in overall balance and eye appeal. The dam of EXAR Princess 5271 has been a tremendous donor for Express as she has produced many show winners including Carter Ward's Grand Champion Female at the National Western. Don't overlook this outstanding prospect as she has the lineage to get better and better, and daughters of EXAR Princess 5391 make tremendous yearling show heifers.

- Owned with Pape Ranch. Flushed 7 times for a total of 18 high quality embryos. Checked Safe to EXAR Express Way 1079B. Approx. due date 7/25/2021.
- EXAR Queen 0476 is a direct daughter of EXAR Classen 1422B, a sire who has done so much for the Seldom Rest and Express programs. She will calve before sale day to EXAR Express Way 1079B, a bull who will be the feature of the 2021-2022 Express show string, and this calf should be really exciting.

- Owned with Calli West. Checked Safe to Stevenson Big League 70749. Approx. due date 8/21/2021.
- EXAR Frontier Gal 7687 was a past feature of the 2017 Express Big Event Sale. This young prospective donor has tremendous donor potential. 7687 displays a beautiful front end with great balance and bone. Her dam is the great donor, EXAR Frontier Gal 1405, who has produced many champions and sale toppers at Express, and this daughter sired by S&R Roundtable J328 is destined to follow in the same path as her dam.

EX *More than just a prefix or a distinctive brand.* It's a Program! EXPRESS RANCHES

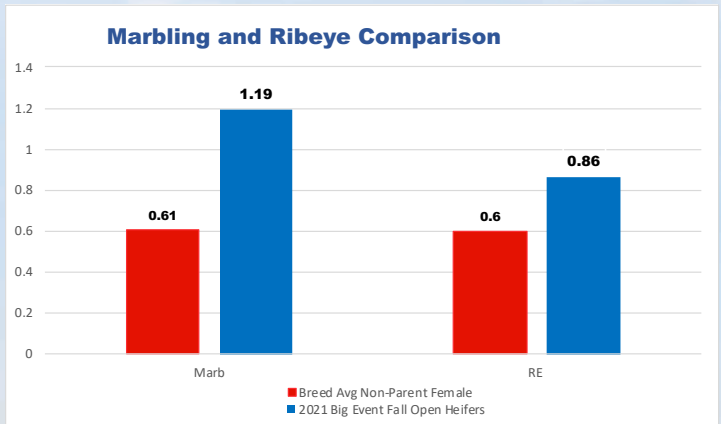

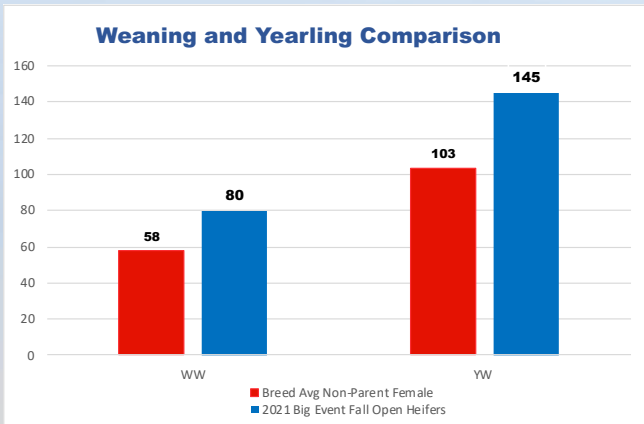

As semi-annual updates to the National Cattle Evaluation conducted by the American Angus Association and annual updates to the rolling average variables used in their bio-economic indexes have happened over the course of decade and a half, the actual number values of EPDs and indexes often change.

But in programs like Express that collect volumes of phenotypic weights and measures in large contemporary groups in addition to genomic testing every animal born in each year's calf crop, the ranking of the good cattle within the herd and within the breed continues to be strong and is getting even stronger.

The release of the latest update May 28, 2021, included an update of the core animals that tie together one-step genomic-enhancement in addition to the annual update of the variables used in the calculation of the bio-economic indexes further validated that the data being collected in programs like Express is a significant ingredient for adding and maintaining the value of quality Angus seedstock.

This 2021 Big Event at Express is a classic example of how the combination of science and the eye of the master can make Angus cattle unlike any that have come before them. As previous updates have, the Fall 2021 edition is an affirmation that Angus breeders like Express that have focused on combining growth and end-product merit with functional cow sense are the future of successful animal breeding.

The summary to the right demonstrates where this entire sale offering ranks in the Angus population and includes every registered female in the offering, including the show-heifer prospects and show donors, at the time of printing of this publication. Expect many of the fall 2021 calves that will be at the side of their dams by sale day to add even more trait leaders to this Big Even, because that is how they have been designed and created!

THE EX BIG EVENT OFFERING PERCENTILE RANKINGS

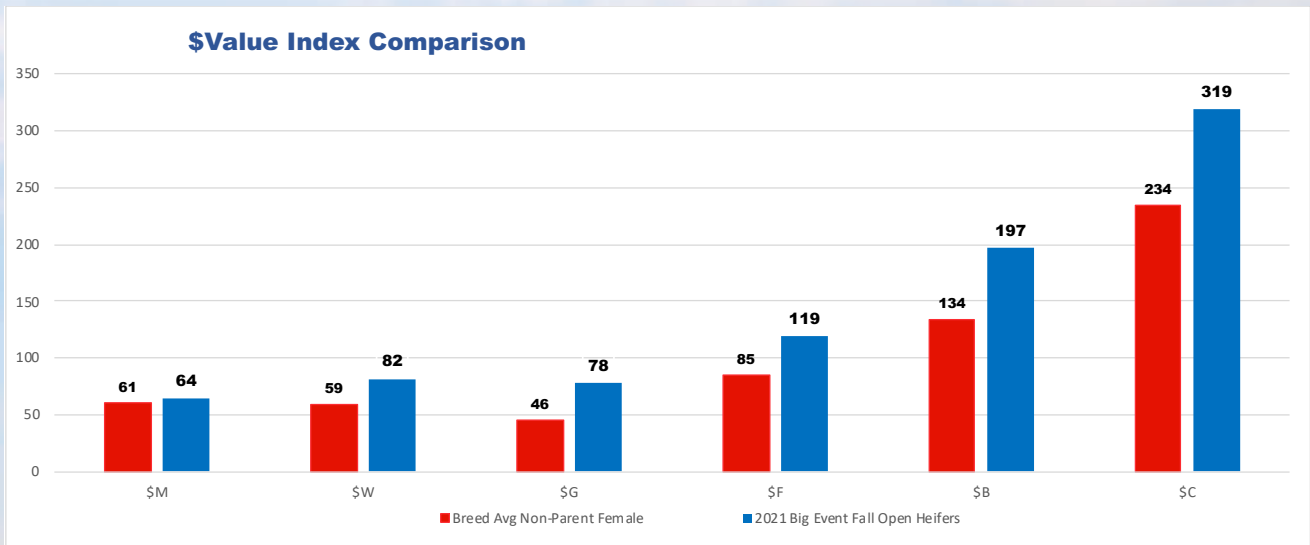

- 35% of the offering, 216 head rank in the top 5% for \$B with 70 among the ultra-elite top 1%
- 33% of the offering, 209 head rank in the top 5% for YW with 54 among the ultra-elite top 1%
- 31% of the offering, 194 head rank in the top 5% for \$C with 63 among the ultra-elite top 1%

- 24% of the offering, 152 head rank in the top 5% for \$G with 53 among the ultra-elite top 1%
- 22% of the offering, 137 head rank in the top 5% for \$W with 37 among the ultra-elite top 1%
- 22% of the offering, 137 head rank in the top 5% for CW with 30 among the ultra-elite top 1%
- 17% of the offering, 109 head rank in the top 5% for MS with 33 among the ultra-elite top 1%
- 12% of the offering, 76 head rank in the top 5% for RE with 17 among the ultra-elite top 1%

With a management team led by a man who has spent nearly five decades intimately involved in the cattle feeding industry in addition to his time in the academic community as a judging team coach and Animal Science professor along with his tenure as the executive officer of the Oklahoma Cattlemen’s Association, it comes as no surprise that the focus of the breeding program at Express Ranches is producing cattle that perform in the feedlot and earn premiums on the rail.

Jarold Callahan will tell you quite simply, “we want cattle that do it all.” Jarold has made structural soundness, mobility and carcass composition critical inputs in the Express breeding program and since Jarold assumed the leadership role of the team at Express,

creating performance cattle with the “Express look” has been the unwavering goal of this breeding program. That goal has been met and surpassed each consecutive year for nearly a quarter century and this unique and powerful 2021 presentation of sale females is the best ever from cover to cover!

The charts that appear here graphically demonstrate the pure power and potential of the fall yearling open heifers in this sale that the Express team believes to be the most powerful and genetically advanced young cattle that have ever been produced by America’s largest registered Angus operation that has collected more genomic records than any herd of Angus cattle in the world!
