Can't Join Us?
Bid Online or by Phone

How to Bid by Phone:

- » Register for a buyer number on SuperiorLivestock.com. Click on "Register for a Buyer Number" tab.
- » Print form, fill out and fax to 817-378-3380 or email to info@SuperiorLivestock.com
- » Superior will call you with a buyer's number and bid line phone number.

How to Bid Online:

- » Log into your existing account or create an account on SuperiorClickToBid.com.
- » Once logged in register for a buyer number. You will receive a confirmation email when approved.
- *Note: High speed Internet is required.

Fellow Cattlemen,

We invite you to join us October 25, 2021, at the Debault Ranch in Navasota, TX for our 4th Annual Texas Bull Sale. As we prepare for this, it's fun to look back at the first Navasota sale catalog in 2018 and compare and truly see the growth and progress of our operation. You folks who know dad and I know that we are never satisfied with the "now" and always push for improvement, progress, and growth in the future.

We took a huge step and added females to the sale this year – what an offering it is. You'll love this set of New Mexico Ladies, and I am excited to see the future they'll have for their new owners. Also, we've teamed up with Mr. Chris Shivers to head up our commercial female division, and Debault Livestock who will be supplying a large portion of the females. You'll love the quality and consistency in this offering. As a fourth-generation commercial cattleman, that is truly where my heart lies. Our goal with the female portion is to allow progressive breeders a marketing avenue with Pérez Cattle Company genetics.

Without question this is the stoutest set of bulls we've headed to Texas with. The power and maternal strengths bred into these bulls are second to none. You'll see numerous sons or grandsons of our top donors throughout the offering. Also, for the first time, we are selling 13 fall yearling bulls. I really feel that the quality and the value will be in these yearlings. It's been my experience that the best adaptable bull is one you mature and grow in your own environment for longevity and stability.

I know you have numerous options when it comes time to purchase bulls. Thank you for your support over the past years and your consideration in the future. If you are around Navasota or traveling in from far away, I invite you out to the Debault Ranch Sunday evening to view the cattle and enjoy some Southwestern hospitality.

Thanks again for your interest and support.

Kyle Pérez

DELIVERY

FREE DELIVERY ON BULLS for the first 500 miles with purchase of \$5,000 or more in the continental USA.

Delivery arrangements will be made on females at buyer's expense. Delivery must be taken by October 27, 2021.

GUARANTEES

We guarantee all bulls sold to be sound and healthy breeders. Sight unseen purchases are guaranteed 100%.

SALE TERMS

Terms are cash. The cattle will sell under the standard terms and conditions as recommended by the American Hereford Association. Announcements from the auction block will take precedence over any catalog information. The animal becomes the property of the purchaser as soon as sold, but it shall be the responsibility of the seller to see that animals are properly cared for until delivery to the purchaser. Any death or injury after the animal is sold is at the buyer's risk.

PÉREZ

CATTLE COMPANY

HERD HEALTH

Cattle are current on all vaccinations and will be accompanied with proper health certificates for immediate shipment to most locations in the United States. Any additional tests required for entry into certain states will be performed after the sale at the seller's expense and prior to delivery.

All Hereford cattle are IE, HY and diluter-free by pedigree. Bulls will be trich, semen and fertility tested. All registered Hereford females have been ultrasounded and measured to due date and to the sire. All commercial females have been preg checked safe in calf.

LOAD OUT

Load out will take place after the completion of the sale.

INSURANCE

Mortality Insurance will be available sale day.

SALE VIDEOS & PICTURES

Videos and pictorial pedigrees (dam, sire, MGS) of each lot can be viewed at PerezCattleCo.com. Bull videos will be available mid October. Female videos will be available October 24th.

Service provided by VirtualHerd.com

SUPPLEMENTAL INFORMATION

A supplement sheet will be available with complete and up-to-date information on sale day and will be posted online at PerezCattleCo.com

ACCOMMODATION & AIR TRANSPORTATION

See inside back cover.

- Maternal, Maternal, Maternal!
- If your goal is to produce F1 Tiger Stripes, look no further. 0228 is a moderate frame, deep flanked, big butted Mighty 49C son.
- His dam 5036 is mouthwatering in her design and phenotype.
- The teat and udder quality on 0228 daughters will be unbeatable.
- He is possibly as good of a bull as we have brought to Navasota. The cowmen will be sure to find him.

18-Month Old Hereford Bulls

- This pair of Ace sons are out of one of the most maternal and proven cow families in the breed, H5 Ms Dominet 410.
- Ace 7115 led off our 2019 Spring bull sale and was selected by Tennessee River Music.
- Grandam 3055 is among the most productive cows at PCC and the maternal strengths of these two bulls will be second to none.
- Look for these red eyed, red necked, long sided, high performing bulls to add performance, maternal strengths and longevity to your cow herd.

- Calving Ease + Maternal!
- If your goal is to decrease birth weight while enhancing udder quality, teat size, and placement all while increasing broodiness, look no further.
- We lost 8116 to an unexpended death. It might have been the worst thing that has happened to this ranch as her spring 2021 calves are our best. You will love the females that 0103 will leave behind.

- If your emphasis is on completeness, moderation and muscle shape, this will be your pick of the entire offering. 0127 is a sale highlight.
- Sired by Hondo 6049, 0127 offers the same characteristics in terms of dark red in his marking, extra pigment, huge top and big hip.
- His grandam 0222x was purchased from Shaw's for her maternal quality with emphasis placed on udder quality and milk flow.

Elite Females

We are excited to be adding both registered and commercial females to our Texas sale. It's been a long-time goal to provide an avenue for our bull clients to market their premium quality replacement females.

After touring the Debault Livestock females in May we knew they needed to be part of this sale as the quality across all breeds was second to none. We thank Keith and Preston for joining forces with us.

Chris Shivers also joined forces with us to head up the commercial females. He has pulled together an outstanding set of females from some of the top breeders in Texas & Louisiana.

We are certain you will be impressed with the quality of the offering.

TERMS

The females will be displayed in large groups in grass traps. They will be videoed and sold in groups of five with the option to buy as many lots of five as desired from that consignor for the same money.

All bred females have been preg'd check safe in calf by a certified vet in past 60-days and will sell in groups with similar due dates. All open females will be certified open and guaranteed to breed.

Videos will be available October 24, 2021 on [PEREZCATTLECO.COM](https://www.perezcattleco.com)
Please feel free to contact the owners with questions.

Registered Hereford Females

Lot#	Registered Hereford Bred Cows	Reg#	DOB	Tattoo	P/H/S	Sire	Dam	CE	BW	WW	YW	SC	MILK	MG
This set of Registered Hereford cows has consistently produced keeper females and bulls that have sold through our bull sales. It is not often we offer a group of our registered cows for sale. They are bred to calve Spring of 2022 and were pasture exposed to some of our very best registered Hereford herd sires, pictured below. This is a great opportunity to add to or start a Golden Certified F-1 Program.

Take advantage of hybrid vigor by capitalizing on Hereford genetics.

The Maternal Advantage program generates females with added longevity, more docility, increased fertility and more profit per year.

Can be utilized by producers using Hereford bulls on British-based cows or Brahman-based cows in their breeding program.

Producers utilizing the program will have access to a sire EPD summary, added market exposure, replacement selection tools, genetic improvement tools and access to AHA resources, marketing and staff.

Qualifications

- Producers must verify that eligible females are sired by registered Hereford bulls with transferred ownership.
- Participating bull batteries must rank in the top 50% of the breed for Baldy Maternal Index (BMI\$) if used on British-based cows or the top 50% of the breed for Brahman Influence Index (BII\$) if used on Brahman-based cows.
