welcome

Our family would like to welcome you, your family, and friends to our 49th annual Bull and Female sale Monday Jan. 17, 2022. With 2020 and most of 2021 behind us, I feel the cattle market is on a gradual upswing.

By and large, 2021 was a good year in our part of Nebraska. The cold blast that hit our peak calving period broadside was “miserable” but otherwise, the weather cooperated very well. We had enough spring moisture to get our grass growing, and spotty showers all summer to keep our grass green. Our cowherd is in great shape for winter.

With the select and choice spread in the beef market at higher levels it just makes sense to raise higher marbled cattle. This year’s entire sale bull crop set at the top 15 % of the Hereford breed in marbling ability. We have worked at this slowly as we feel that marbling and fleshing ability are antagonistic. Balancing the two are essential to maintaining a practical and profitable cowherd.

With all the changes in the cattle market one thing is certain and more important than ever-high quality feeder cattle are worth more. With inputs continually rising, fast growing, feed efficient feeder cattle and replacement females are key. We feel that our type of easy fleshing, growthy Hereford cattle will add efficiency to most any cow herd. Our cow herd is managed without special treatment. We maintain our cow herd exactly as any good commercial operation — as inexpensively as possible. Our cows graze with no supplement nine months a year and calves receive no creep feed. As you look through the catalog, you may notice subtle differences in the bulls, but from top to bottom, they all have certain things in common: efficient mother cows with good, trouble free udders; thickness over the back; big hindquarters; balanced EPDs; long, strong backs; straight sound legs; Hereford libido; eye appeal; deep ribbed; good hair; good fertility and unconditionally guaranteed. This is a very powerful set of bulls. The quality runs deep through the entire offering. If you need heifer bulls, you will find 50-60 heifer bull prospects in this year’s offering. We offer free delivery with a bull purchase of \$5,000 or \$100 off your bull if you haul them yourself. We offer delivery on the heifer calves at cost.

In approximately two weeks, you will receive a fact sheet with the offerings’ final weight, pelvic measurements and scrotal circumferences. Ultrasound data on the bull calves will be available in early January. We will post it to the website and will be available sale day. We will retain a quarter semen interest in all sale bulls. Cattle will sell in catalog order.

The Van Newkirk Family

ABSENTEE BIDDING OPTIONS

We welcome you to the sale and invite you to come to the ranch any time and look through the bulls and heifers if you would prefer to come early and remote bid. Give Joe and Kolby a call ahead of the sale to assist you. *Setting up your absentee bidding option a few days before the sale is recommended.*

1. REMOTE ORDERS BEFORE THE SALE

REMOTE ORDERS. Place an order anytime ahead of sale day by calling Joe (308) 778-6049 or Kolby (308) 778-6230.

2. WATCH AND BID ON SUPERIOR LIVESTOCK OR DISH CHANNEL 997

VIEWING. The sale will be broadcast via satellite on Dish Network channel 997. Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live on the internet at both www.superiorlivestock.com and www.superiorclicktobid.com.

BIDDING. Bidding over the phone is the suggested process for anyone who does not have consistent, high-speed internet. SuperiorClickToBid.com is the online bidding platform and high-speed internet is required. Registration is free - go to SuperiorClickToBid.com and follow the outlined steps to get started. We advise you to pre-register with Superior a few days prior to the sale. *For assistance, call Superior Livestock at 800-422-2117.*

3. WATCH AND BID ON DV AUCTION

VIEWING. To watch and bid online, simply complete the following steps, Go to www.dvauction.com and create a new account. DVAuction will contact you once you have been approved to bid. They will not provide a buyer number until you have purchased a lot in the sale and that number is only usable for our sale. High speed internet access is required to be able to bid successfully during the sale.

PROXY BIDDING. Follow the instructions above and as the sale date nears, there will be a Proxy Bidding button underneath the sale name on the DVAuction website. You can then place your maximum bid and the system will represent your bid just as if you were there.

For assistance, call Ty Groshans 970-818-6016.

4. PHONE BIDDING ON SALE DAY

PHONE BIDDING. Please call Superior Productions at (800) 422-2117 to pre-register and get a buyer's number. Superior will give you the bid line number that you will use on sale day to place bids over the phone. Enjoy watching the sale on DISH 997.

TERMS AND CONDITIONS. Van Newkirk Herefords offers an unconditional guarantee. Satisfied, repeat customers are important to us. We feel that we own these bulls through the first breeding season, so if you have a problem, call us. We also retain 1/4 semen interest in each sale bull. All animals, of breeding age, are guaranteed breeders. Animals failing to breed after a trial of six months may be returned to us.

Terms of the sale, cash. All settlements must be made at close of sale or arrangements made with Van Newkirks. Any dispute as to the bids or bidders will be settled by the auctioneer, whose decision shall be final. Extreme caution has been taken in copying each pedigree to avoid errors, but we are not to be held responsible for any error which might appear and which is beyond our control.

USING QR CODES

VAN NEWKIRK
SINCE 1892
HEREFORDS

QR codes will not be activated until videos of the bulls are live on Superior Livestock **Mid to Late December.**

Please check our Facebook page for updates when the videos are up.

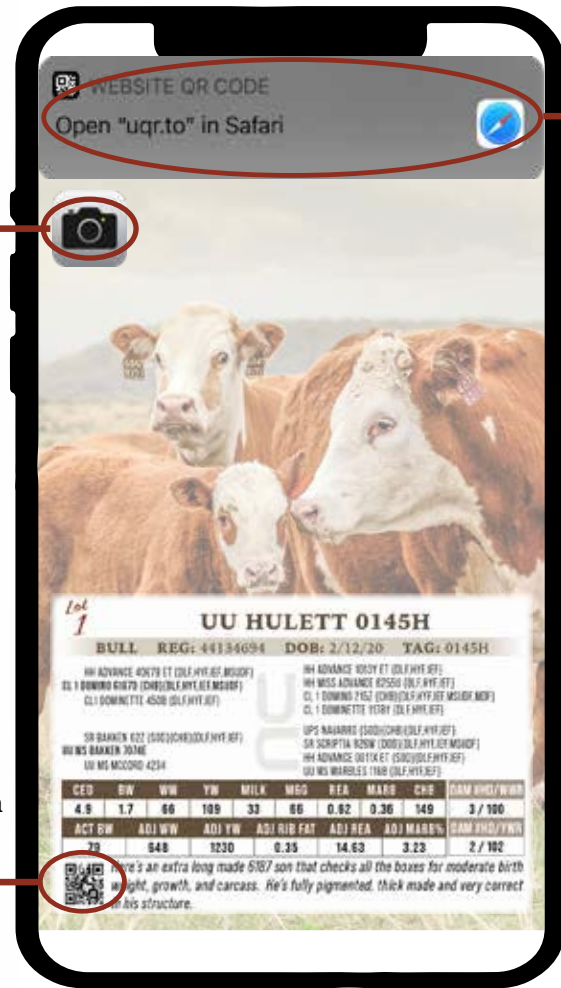

1.
Open the camera on your smartphone.

2.
Hover over the QR Code on the lots in the catalog.

3.
Tap the link that appears at the top of the screen.

4.
The video of that lot will now play.

DECODING OUR NUMBERS

- Act. BW** — Actual birth weight
- Adj. WW** — Adjusted 205-day weight
- Adj. YW** — Adjusted 365-day weight
- Dam #hd/wwr** — Dam's number of progeny with weaning weight information/average weaning weight ratio on those progeny
- Dam #hd/ywr** — Dam's number of progeny with yearling weight information/average yearling weight ratio on those progeny
- Rib Fat** — Adjusted back fat measurement
- REA** — Adjusted ribeye measurement
- MARB%** — Adjusted MARB% measurement

WHAT SETS

VAN NEWKIRK

SINCE 1892

HEREFORDS

the Bulls

CATTLE APART?

LENGTH: *Bottom line, you sell by the pound. The extra length of Van Newkirk bulls adds serious pounds and profits to your calves. Length helps you maintain calving ease with heavier calves.*

LONGEVITY: *Structural correctness and easy fleshing ability have been bred into Van Newkirk bulls since 1947. Van Newkirk bulls are working from south Texas to Canada, Virginia to California. Their easy fleshing ability and structural correctness allows them to perform well in any environment.*

CONSISTENT QUALITY: *It takes generations of breeding and culling for quality genetics, otherwise you end up with one hit wonders that don't breed consistently. When you walk thru a sale offering every bull should look the same-no bottom end. That's a sign of how those bulls will breed and how their calves will look. Even, consistent calves make you money. Van Newkirk bulls breed predictability. They are backed by 70+ years of quality genetics. The quality of Van Newkirk bulls runs deep, there is no bottom end. Every bull selling is raised by his natural mother in commercial cattle conditions.*

DOCILITY: *Easy going, quiet cattle is important. It impacts your safety, as well as your calves efficiency and rate of gain and carcass quality.*

BREED LEADING CARCASS: *Several sale bulls are in the top 1% of the breed for marbling. The marbling average of 230 bulls is in the top 15% of the breed. With more cattle selling on the grid; and tracking of feeder cattle, marbling matters.*

BULLET-PROOF TWO YEAR OLDS: *Van Newkirk two-year old bulls are ready to go to work and breed a lot of cows in any environment. They hold up really well and don't require any special treatment, because they weren't overfed as yearlings.*

THE COWHERD: *Van Newkirk bulls breed predictability. They breed strong because of our 70+ years of using top-quality genetics. Not one hit wonders. These bulls are raised by their own mothers in realistic conditions. We have never sold off our top females. Our cows are some of the best in the breed.*

Here's an easy to look at Scope son to wrap up the two-year olds. He's fully pigmented, with a tear drop, thick made over his top, and stands out well on all 4 corners. Grand dam is an AHA Dam of Distinction.

YEARLING BULLS. This elite group of bull calves represents our latest and freshest genetics. Many of these calves could be used on heifers. We think you'll appreciate their length, thickness, and performance. They will not be highly fitted, but should weigh 900-1,000 lb. by sale day. Ultrasound data will be available on Facebook and our website in early January as well as sale day. These pictures were taken in November; you may want to check out their individual videos at www.VanNewkirkHerefords.com.

100 COMMERCIAL HEREFORD HEIFERS

This is an outstanding set of heifer calves right off our replacements. You'll find them extremely deep bodied, easy flething, with consistent quality throughout. They'll be weighing 750-775#. They will make top notch mother cows. They have had all of their vaccinations, poured with Ivermectin, as well as their Bangs shot. They will be sold in lots of 10 or more – gate cut. We will pay for half of the freight for groups (multiple buyers) of 40 or more to one central destination.

For more information, call Joe Van Newkirk at 308-778-6049.

60 FANCY, SANDHILLS RAISED F1 BALDY HEIFERS

Here is a good looking set of heifers, deep bodied and long. Their mothers are a high performing set of cows out of Connealy/Vermillion Genetics that have bred back consistently at or above 95%. No heifers are kept back in this program. Sired by top maternal Van Newkirk bulls. Come sale day, they will be weighing 775-800 lb. They have had all their shots, poured with Ivermectin, and have been bangs vaccinated. Selling as one lot. Located at Ashby, NE. Hoping to have a sample to view on sale day.

For more information, call Matt Cover at 308-458-7455.

75 F1 BALDY HEIFERS

These heifers have been long time weaned, a complete shot program, poured with Ivermectin, wormed with Safeguard, and bangs vaccinated. They are a moderate framed, easy flething set of heifers out of cows that are culled hard for phenotype, udder quality, and disposition. Only A.I. bred heifers go into this cowherd making the fertility second-to-none. Mates to these heifers were mass bred A.I. and cleaned up for 45 days. We achieved a 75% A.I. rate and an overall 98% breed up. Sired by front-end Van Newkirk bulls. They will be weighing 725 lbs. Selling as one lot.

Located in central Nebraska.

For more information call, call Cody Cone at 308-520-4687.

50-55 FANCY, SANDHILLS RAISED F1 BALDY HEIFERS

These heifers are deep bodied, easy flething, out of very top Van Newkirk bulls. They will be weighing 750 lbs by sale day. These heifers are from an established herd that has a proven history of tremendous fertility and carcass quality. They feed out all their cattle, and get top dollar on the grid. They have had all their shots, been poured, and have been bangs vaccinated. Selling as one lot. Located at Oshkosh, Nebraska. Ardissonos are neighbors, these heifers will be available to view sale day.

For more information, call Chuck Ardissono at 308-778-6212.

Heifers PRIVATE TREATY OFFERING

FERTILITY.

The #1 profit driver for cow/calf producers. We don't keep an open cow - period! That's why we don't have a fall herd. Fertility is bred into all VNK heifers and bulls for generations. Every registered and commercial heifer sold we'd be proud to keep in our herd.

JOLLY COMING THREES

75 HEAD Coming three-year olds bred to very top Van Newkirk bulls. These gals are good uddered, good disposition, and good genetics. They've had long range and all shots. They were bred to our highest selling bulls in our 2021 sale. Ultrasound pregged. Due to start calving January 26th for 65 days. Located in Missouri. \$2,350. Yes, they truly are that good of quality.
For more information, call or text Brandon Jolly at 573- 300-6253.

30 HEAD Fancy Sandhills raised, crossbred red baldy heifers. Weighing around 700 lbs. This is an established herd that uses extremely high quality Van Newkirk bulls. These heifers will be fertile, deep bodied, very easy fleshing, and make tremendous cows. They've had all shots, and bangs vaccinated. Prefer January delivery. Pre-contract would be fine. Located near Broken Bow, NE.
For more information, call Tom Christen at 308-643-9286.

95 HEAD Fancy straight Hereford heifers. Sandhills raised, weighing 650 lbs. They've had all shots, poured, bangs vaccinated. This is another long-time established herd that buys top end Van Newkirk bulls. These heifers will be long, deep bodied, easy fleshing range cattle, and make great mamas. Located near Ainsworth, NE.
For more information, call Jack King at 402-760-0818 (he does NOT text, you need to call.)
