About Our Sale

Growing up in the horse-sale world, Kyle and Riley Schmitt have always enjoyed traveling throughout the country, buying and selling great horses. In 2017, they put on their first horse sale with the intention to become the best place to find your next gelding!

This is a sale with rules and stipulations and horses with quality that must meet higher expectations. This sale brings in riding geldings of all levels and disciplines and ranging in all price ranges. The Five Star Horse Sale offers something for everyone, including ranch and trail, prospects, barrel, rope, reiners, cutters, and the all-around family horse!

The Five Star Horse Sale was created with the intention to put faith back into buying horses from an auction. Schmitt Horse Ranch and all of the consignors try their hardest to pick out the best of the best to offer you on sale day. The sale preview lets potential buyers see the horses ridden and move in a big area, not just a narrow ally or sale ring.

Every horse is not for every person – the goal here is to sell you the horse that best matches you! Watch those videos, make phone calls, and ask questions! All horses are guaranteed sound; buy with confidence!

How to Participate as an Abseentee Buyer

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.

Here's How It Works

Turn in Bids Over the Phone. This is our traditional method of buying livestock. To get started, simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number." Select the registration form for Superior Productions and print the registration form, fill it out and fax it to Superior Productions at (817) 378-3380 with a signature on it, or scan and email the form to info@superiorauction.com. You can also mail it to the address provided on the form. Upon receipt of this information, Superior will call you with a buyer's number and the bid-line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding platform for horse buying. Please note that high speed internet is required – this is not for dial-up or satellite internet. Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just sign in and select the sale you would like to register for. Once approved, you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. There are two places to view the sale broadcast live on the internet: www.superiorlivestock.com or www.superiorclicktobid.com. Just go to the home page of either website and select the auction. If you just want to watch the auction on your computer, smartphone or tablet, go to www.superiorlivestock.com, but if you want to bid over the computer you must go to www.superiorclicktobid.com. Remember you can call in to bid on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid." Your computer must have Flash Media Player installed for this website to view the auction. If you have any questions, please call the Superior Productions office at (800) 431-4452.

If you plan to bid by phone through Superior Livestock or "Click-to-Bid," you must register at www.superiorlivestock.com prior to bidding.

Sale Terms & Conditions

SALE ORDER: Horses will sell in consecutive catalog order.

BIDDING: You MUST be registered in the office for a buyer's number before bidding. Each horse will be sold to the highest bidder, with the exception of reserved prices. The decision of the auctioneer will be final if any questions arise during the sale. The auctioneer also reserves the right to reject any bid.

ONLINE BIDDING: We are offering online bidding as well as phone bidding. You MUST get pre-approved to bid at www.superiorclicktobid.com. Live, absentee and phone bidding available. ALL online purchases are to be wired in full by Monday, May 23. **NO exceptions.** Horses will not leave the auction company's hands until the horse is paid for in full.

PAYMENT: Buyer shall pay for all horses at the conclusion of the sale and shall pay the full price by one of the following methods: cash, money order, cashier's check or personal check. Iowa has a 7% sales tax on all horses unless a tax exempt form is signed. Forms will be available in the office.

RIGHT TO REGISTRATION PAPERS: Right to registration papers shall not pass to purchaser until the horse has been paid in full and checks have cleared the bank. At that point, they will be mailed to the buyer. If paid in cash, they will be handed out sale day.

CATALOG: Every effort has been made to assure catalog accuracy; however, the seller, sale management and auctioneer are not responsible for errors or omissions. All statements and corrections announced at the time of the sale shall supersede the catalog. All comments stated in the catalog are as stated from the consignors and not the sale management. Again, we have made every effort to assure the catalog is correct.

ANNOUNCEMENTS: Announcements from the auction block take precedence over any printed material.

HEALTH: Horses will all have a negative six-month Coggins Test and Health Certificate.

HORSE INSPECTION: There will be an onsite preview both Friday, May 20, as well as Saturday, May 21, to inspect horses.

RIDEABILITY: It is the buyer's responsibility to make sure the horse is a good fit. We are not responsible for your inability to ride the horse.

SOUNDNESS GUARANTEE: All horses are guaranteed sound unless stated otherwise from the auction block. We represent and warrant to the buyer the following for 72 hours after being sold: The horse is sound of eyes and wind. The horse will hit the ground sound on all four feet. The horse is not a cribber and has not been nerved.

This soundness guarantee will apply only to horses with problems existing prior to sale time and not to problems caused after the sale by the buyer's hauling or use of the horse. Soundness does not guarantee pass of a check by your vet following the sale. ALL vet exams should be done PRIOR to buying the horse, NOT after. Please examine horses prior to the sale ring. The sale staff is not responsible for announcing scars or blemishes.

OTHER:

- All horses' heights are approximant.
- Kyle and Riley Schmitt have the final say over any controversy.
- Neither the auctioneer, Schmitt Horse Ranch/ Five Star Horse Sale, any representative thereof, nor their consultants shall be responsible for any liability whatsoever, including, but not limited to, the loss, damage, injury, death, or illness of any horse, person or property before, during or after the sale.
- Horses are able to stay at Jacobson Building until noon on Sunday.
- No alley trading will be allowed. All horses must go through the sale ring, and all transactions must go through the sale office.

New To the Crew

We are extremely proud to introduce the newest member of Schmitt Horse Ranch, Clayton Joseph Schmitt. Son of Kyle & Riley Schmitt, Clayton was born on December 24, 2021. Horses are “in our blood” to say the least; Clayton makes the 5th generation of horsemen in the family. Named after his grandfather C.J., we can’t wait to see what the future holds for this young cowboy!

NOTES: "Packman" is just the little all-around horse every family is after! Super gentle, trail rides the best, has had cutting training, and is well started in both the breakaway and heeling. Packman is seasoned and solid both in the arena and out on the trails and is safe for all levels of riders. He is the perfect size and has more shape and substance than most horses twice his size. Packman is traffic safe, one hand broke, goes where you point him without a fuss, and stays broke no matter how long he sits idle. He is that cool sorrel rabicano color, has an exceptional pedigree, great minded and sweet to be around, and is ready to make your family super happy. Stands 14.1hh. Sound, current on deworming, shoes, radiographs available, and coggins. For more info go to www.schmitthorseranch.com or call Riley @ 507-459-8654 or Kyle @ 608-434-4789.

NOTES: Here's Chex, one of the most versatile and mature geldings we've ever owned. This gelding is definitely a "total package" horse, 6 years old, 15 hands, plenty of bone, size, substance, and lots of common sense. Chex is bred and trained for reining, but his experience goes far beyond the reining pen. He rides confidently down the trail and tackles any obstacle like an old pro. He has worked cattle and started roping out of the box. While he's mostly done the heel side so far, Chex is the right size to do both ends. Stays quiet in the box and is ready to go right on with roping training. Chex has a true one-hand handle and is easy for anyone to operate. He has carried multiple riders with a wide range of experience and get along with everyone. He is super willing and always looking forward to the next job. With an all-around gelding like Chex, you could do reining, ranch riding, ranch versatility, roping, trail riding and more. Chex sell 100% sound with no problems. We think this gelding will make someone a favorite go to horse. Feel free to contact Yoder family with any questions. 417-432-1088.

NOTES: Dakota Casanova, aka Nova, is a beautiful 4-year-old, 15.1hh registered smokey grullo gelding. If you're looking for a wonderful young prospect that is going to turn heads no matter where you go, Nova is your guy. He has it all! He has a great personality. Nova is easy to handle and be around. He loves people and attention. Nova is intelligent, eager to learn new things and retains what he is taught. He's athletic with great movement, hard stops, easy turn arounds and spins. He has smooth transitions, from walk, trot, and canter, knows his leads and has excellent lead departures. He is soft in the face, bridle up and moves off leg pressure. Nova's confirmation is outstanding. He is put together the way a horse should be with substantial bone and foot. And all of that is wrapped up in a color that is stunning! When Nova came to us in April of his 3-year-old year, he was unstarted. All his education has been done by Terry, who has almost 30 years of experience starting colts and training horses. So, you can be assured that he has been in good hands and brought along correctly. Nova has been trail ridden in a wide variety of terrain by himself and with other horses. He goes where you point him and handles everything with ease. He is traffic and farm machinery safe. We have used him to check cows and sort calves. He has also been tracking and roping the dummy. He goes through the obstacle course; across the tarps and the teeter totter, opens and closes gates. He stands for the farrier, ties, cross ties, hobbles, high ties, bathes, clips and loads in the trailer. If you're looking for a partner to trail ride, a great rope prospect or ranch versatility horse, Nova's got what you need. Give us a call, 563-212-4686. Terry and I (Kate) will be happy to visit with you and answer any questions. More photos and videos at our website, www.tietjenperformancehorses.com

Checkers has all of the fancy buttons of a show horse but will also ride to the level of rider on his back. Stands to mount and dismount at the mounting block, great with obstacles, tarps, flags, and any commotion you can think of. If you are looking for Safe, Solid, and Seasoned he is your guy! From ranch riding, heading, or heeling, he will be willing to perform any task. No owner's manual will be needed to ride this one- he always stays broke! Picasso is an easy keeper and 100% sound. Jango stays gentle and is a pleasure to be around. He is the first to meet you at the gate and is always eager to get to work! He was started in a cow horse program and has since made an outstanding ranch and rope horse. We have used Jango extensively gathering cattle, sorting, and branding calves. Jango is great to ride outside and would make an impeccable trail horse. We have also been roping on Jango. He has a great start on both the heel and head side. We also feel like he would make a great breakaway horse. Jango is fancy broke. He will turn around and has a nice sliding stop. He is one that anyone would be proud to own. His future is bright! We would like to personally invite you to our place to try Jango and as always, we welcome Prepurchase exams! Please call with any questions! 940-268-6850. NOTES: Here's the one you've waited for...an own son of the legendary METALLIC CAT that is liver chestnut, gentle, a finished cutter, AND has been used at some of the largest ranch rodeos in the nation. Quick Stop is the most honest, athletic, fancy broke, big stopping horse on the place. You can do absolutely EVERYTHING on the ranch off of him. After you get done gathering or sorting on the ranch, Quick Stop will drop his head and is cool as a cucumber. Quick Stop started his career in a very well-known cutting program. He was shown at the NCHA Futurity by his non-pro owner. He then went to the wheat fields of West Texas with one of the best horsemen in the industry. After being used outside, Quick Stop started getting hauled to town to the ranch rodeos. He's seen the bright lights of Ft. Worth. He was used to help set the record at the Red Steagall Ranch Rodeo in the Wild Cow Milkin. Yes, he's a super talented individual, but you don't have to be a cowboy to enjoy him. He will meet you at the gate, stands for mounting/dismounting, has a short lope that is slower than his walk, and a disposition you wish all of them had. He has had pressure applied and has always been willing to do whatever we ask of him. He's got tons of eye appeal and is one that you just can't help but admire. The way he carries himself when he travels is truly beautiful. He's extremely smooth, been rode in the canyons and is very sure footed. He will ride in a group or out alone. Quick Stop stands 15 hands and weighs 1200 lbs. Quick Stop is in the prime of his life and will be an asset to anybody's program. For more information or to schedule an appointment to try him, please call Taylor at 806-654-5490. You will thoroughly enjoy this gelding whether you are trail riding or you're asking him for his life on the ranch. He's been there done that, seen the sights, heard the sounds, and is an exceptional individual.

NOTES: Jack is a big, beautiful, black footed 15.2 hand, 1325 LB bay gelding that is extremely well broke to ride and stays broke. We have owned Jack for a year now and have enjoyed him every time we saddled him(or hopped on him bareback). The kids at the barn call him "Fun Jack," simply because he is just that, FUN! He has a long resume from chores on the ranch to halter breaking colts, ranch rodeos, barrel races, fun day shows, trail rides, overnight camping trips and a pony express ride. Jack has actually been Kayla's personal horse and main mount over the last year. He is broke in and out of the arena, where he will cross anything and go anywhere. Jack is soft, supple, pops in his leads, lopes on a loose rein, steers easily and just has a cool feel about him. He has been patterned on the barrels, roped some cattle and the sled, and trail rode hundreds of miles. Jack is very gentle and easy going, but he is athletic as well when you ask for it. Here is a proven true all around family gelding that has been there done that and is only 6 years old. "Fun Jack" has been a great horse for us and is ready to make another family just as happy. NOTES: "Hitman" is a stout, heavy made sorrel gelding by Lil Joe Cash! He is seasoned and solid both in the arena and out on the trails. Fully trained in the reining and easy to ride, stays broke, doesn't require regular riding, and should suite most all levels of riders. Very fun horse to ride with easy lead changes, really rides off your seat, loves whoa, simple to spin, and has smooth departures. Hitman crosses all of the trail course obstacles as well as water, bridges, down trees, and muddy bogs. He stays level headed and rides on a loose rein, more whoa than go type, and will ride to the level of rider on his back. NOTES: Major will be a "major" favorite in anyone's barn. Imagine a beautiful palomino with a huge mane and tail, show-quality reining maneuvers, and a beginner-friendly personality, and you have Major. This gelding is safe, safe, safe. He is 4 years old, 15 hands, and fully trained in reining. He does all the maneuvers, correctly, has fancy spins, and a huge stop. We've had this guy for a long time, and he's done about everything from working cattle to carrying beginners. He is super quiet on the outside, and enjoys doing the trail obstacles. He has been through ditches, brush, and traffic and never gets fast or excited. He will work cattle and is not scared of a rope. It doesn't matter to him whether he goes out alone or with a large group of riders. He lays down, and side-passes right up to a mounting block to mount or dismount. 100% sound, no vices or bad habits. Major is the same way ever time you saddle him up, whether you ride him twice a day or once a week. This is the kind of horse that everyone in the family will enjoy, whether you prefer reining, cattle work, big trail rides, or just playing around at home. If you have any questions about Major, feel free to call the Yoder family at 417-432-1088.

PERFORMANCE RECORD: NRHA earner of \$495. In 2019: Split 3rd Yellowstone Slide Reining Rookie Pro class; in AQHA competition: 1 reining (Level 3) point in open events.

NOTES: "Gill" 15.2hh weighs 1300lbs. Here is one big, gorgeous animal! We absolutely adore this horse. Gill is a the perfect horse. He meets you at the gate, no vices, no quirks. Sound, extremely gentle and so very kind. He's been shown in the reining, ridden on trails, used to break colts and, ready to go in the heading. Gill is extremely broke. He maneuvers like a reiner, but not over sensitive. He cues easy to lead changes and has a very soft handle. In the roping, he is good on the box, leaves level, very smooth, rates and, has a strong move across the pen. He has been one of Jana's favorites. There is not a bad thing we can say about Gill. He would be a great family horse deserves the very best! Videos and information call 605-484-7117 or www.griensmanperformancehorses.com

PERFORMANCE RECORD: Earner of 5.5 AQHA points. In AQHA competition: 3.5 ranch riding (Level 3), 1.5 ranch trail, 1/2 ranch riding (Level 1) point in open events.

NOTES: "Truly" is truly one of a kind! Absolutely stunning to look at, extremely well trained, and by Wimpyneedsacocktail! Truly has had reining training and does all of the maneuvers, he is very laid back and easy going, rides on a loose rein, more whoa than go type of guy, and has also been shown in ranch riding and ranch trail classes. He is very smooth moving and extends his jog beautifully. Truly has also been ridden out through the fields and ditches, he's traffic safe, used to dogs, very desensitized with the tarp, flags, big bouncy ball, and is great with obstacles. He is friendly to be around, loves to be pampered, stands great for bathes and the farrier, and is easy to catch. Truly is fun to have around, he stays broke no matter how long he sits idle, stays gentle and is the same horse every ride. Definitely one of the fanciest buckskins around and he will get you noticed wherever you go! Stands 14.3hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: Anonymous Cat is in my opinion the nicest horse we have ever owned. He is a beautiful blue roan that stands 14.3 and 1/2 hands and checks all the boxes. He is a finished cutting horse with earnings of almost 10 thousand dollars in the NCHA and has a certificate of ability which should come as no surprise when you look at his sire and dam not only is he fun to cut on he is the one the family fights over to ride as he is very soft in the face and has the smoothest trot and lope you can experience and will never miss a lead. We have also done tons of ranch work on this horse and he is a pleasure going down the trails. He is started in the roping and stays gentle with time off whether you want to go to the cutting he mounted the best at the ranch go down the trails or have the prettiest horse in town you can do all of it with this one horse. He never disappoints and is always a blast to ride>He comes with no bad habits and does not have any vices. I cannot explain how much we think of this gelding please call with any questions or come ride him for yourself you wont be disappointed. FMI 580-471-5914.

NOTES: Blue has an extremely gentle disposition along with a picture perfect confirmation that is next to none other. He has all the flash and wow factor anyone could ask for. He's a 2017 model and stands 15.2hh, weighing in at around 1300 lbs. Blue came to us a few summers ago from an older gentleman, a good friend of ours, who raised him. We were set to put a good start on him and he was going to go on to be his personal horse. While he was with us the gentleman had some major health issues that forced him to cut back on almost all horses. That is why Blue is now available for sale. We gave him a very slow and correct start which has molded him into the great horse he is today! We have used him in the pasture gathering and checking pairs and ponying colts. He has nice collected circles correct pivots and a good stop. He'll go over around or through any obstacle with ease. Blue has had various levels of riders get along with him and gentle enough that youth can handle and enjoy him as well. Leave him sit for extended periods of time or ride him every day, there will be no funny business. He stands good for the farrier, loads and trailers great, loves baths, brushing and really any kind of attention he can get. Everyone wants the fanciest horse at the event and here is your chance! NOTES: Take a look at Jasper, he is the coolest looking horse in the barn with his unique face and darn sure one of the most trained horses you will find! Jasper is absolutely safe and broke for anyone and everyone, he is fully trained in the reining and super easy to show. We had fun showing him in the reining and ranch riding classes this summer, he is as easy to ride as he looks. You do not need to be an expert rider, he will teach you how a broke horse should feel. Jasper is sweet and kind to be around, likes attention, and has exceptional manners. He rides great out on the trails, along the highway and through the fields. He is traffic safe, great with obstacles, tarps, big bouncy ball, and will take everything you throw at him in stride. Jasper stays broke whether you ride him once a week or once every 3 months, he does not require lunging and has no funny business to him. We have really enjoyed having this horse around, if someone stops by and wants to ride we put them on Jasper because we know he will take care of anyone on his back. We believe Jasper would make an exceptional short stirrup reining horse for some lucky little boy or girl! Stands 15hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: Smoothie is 14.2 hands of class! He's black with roan flanks a coon tail, a couple white feet and a handsome blaze face. Smoothie is incredibly gentle, has a very inquisitive personality, and has had immense training in multiple areas. Smoothie's career started in a reining cow horse program. If you wish to go on with him in this area we feel like he definitely has a bright future. He has a lot of look on a cow and his reined work is exceptional. Smoothie could also go on as a heel or breakaway horse. We have pen roped on Smoothie and he has been used for all aspects of ranch and feed yard work, he is savvy at jobs, like sorting, shipping and doctoring. Versatility is my favorite thing about this one of a kind gelding, as nice of a performance horse as Smoothie is, he is equally that nice of a leisure horse for the family. He will happily saddle up and go for a nice little trail ride for absolutely any age or level of rider. We have full confidence in this beautiful gelding. He never gets fresh, he's always kind and ready for any job we ask of him. His ground manners are stellar, our little girl is 5, she can handle and ride this horse anywhere she wants and we never have to worry about them. Its no accident Smoothie is such a great horse he is by the great sire Once in a blu boon LTE \$318,000 and his dam is an own daughter of \$32 million dollar sire Smooth as a Cat who also earned over \$500K himself. NOTES: "Benz" may be the nicest horse we have ever owned! Not only is he absolutely gorgeous, he is sooo trained in all aspects, extremely safe and gentle, and by Cromed Out Mercedes! Benz started his career in the reining where he has NRHA earnings, then went on to the roping pen where he really excels both in the heeling and breakaway. He has been in great hands his whole life and it shows, he is a fancy huge stopper, quiet in the box, tons of rate, and truly loves his job. Benz has been hauled and is seasoned and solid. He is far from just a rope horse, Benz can truly do it all and do it all well. Whether you want a fancy reiner, rope horse, ranch rider, family horse, or just a solid easy going trail horse Benz is the guy for you. He is just the right size, beautiful put together, total sweetheart to be around, and most importantly he is SAFE! He is the perfect age where you aren't going to show him anything new, he's a been there done that type of guy that we absolutely love! I trusted this horse enough to pull him out of his stall and ride him when I was 9 months pregnant just to keep my sanity. This is one of the nicest all around geldings I have ever swung my leg over. Horses like Benz don't come up for sale very often, take full advantage! He is absolutely a barn favorite around here, if you came to buy the nicest horse at the auction you better not leave without Benz! Stands 14.2hh. NOTES: "Pac Man" is a flashy red roan gelding that is sure to draw attention wherever he goes. He stands 14.3 hands, is conformationally correct, and has a kind eye. This horse's pedigree makes him willing and able to go any direction you want to take him. Pac Man has been in our family going on 4 years and has been used for every type of ranch chore. He has been ridden miles in rough country from the South Dakota Black Hills to the Mark Twain National Forest in Eminance Missouri. He rides with a loose rein, will ride alone with confidence, and go any direction you ask including over logs & crossing water. When Pac Man is not on the trail, he is used regularly at the local sale barn to push calves and cows, has experience catching wild cattle, checking pastures, and being used to gather and sort. Since the day he showed up he has been on the hot heels, on the head and heel side. Pac Man is no stranger to the sorting, penning, and ranch rodeo scene. In the sorting pen he is savvy around cattle and will go to the fence when needed to. Pac Man is gentle as they come, has great ground manners, and will be the first to greet you. He is great for the farrier and vet work. Pac Man has recently passed a soundness evaluation with clean X-rays, free of scares, and is up to date on teeth/vaccines. Pac Man will be your go to partner and will be a great addition in anyone's barn. Call Cody at (561-676-8047)

Travels smooth, wants to stay collected and knows where his feet are. This a gorgeous buckskin gelding with good conformation and not a hair out of place! Has been lightly hauled and not much seems to bother him. Teddy is in his "prime" and ready go in any discipline. All the basics are there! Eligible for numerous barrel horse incentives. NOTES: This young gelding is a show stopper!! Just wait until you see him in person, pictures don't do him justice. Scooby is absolutely gorgeous with his long flowing mane and tail, elegant head and neck, great conformation, and not to mention he is buttermilk buckskin. He rides just as good as he looks, he's had reining training and does all of the maneuvers just as stylish as he possibly can. This is a gelding I truly look forward to going to the barn to ride, he is great minded, talented, and everything just comes easy for him. He's naturally low headed, always stays collected and balanced, extremely smooth in all gates, and what I love most about him is that he always gives you 100%. We bought Scooby off of the gentleman that raised him, he had been moving cattle on him on the ranch as well as roping the hot heels and a few slow steers. Scooby has the sweetest personality, he loves attention, great to bathe and braid, stands great for the farrier, and is just easy to have around. When you are on his back he has the best feel to him, he's light and responsive, really rides off your seat, and you can move every part of his body. We can't say enough good things about this young gelding, we are proud to own him and know you will be too! Stands 14.3hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: Sonny is a real dream horse, with everything you could want in a top-notch personal horse. He's right in the prime of his life at 5 years old, stands 15 hands, and is as beautiful as a horse can be. He has impeccable conformation, cute little baby doll head, big mane and tail, and the most gorgeous dappled palomino color. Best of all, Sonny has a sweet, friendly personality, and is broke enough for anyone to get along with. He has a full reining foundation, and with his laid-back demeanor he would be a great novice horse. We have owned Sonny for a long time and have done everything with him. He has been ridden on the trails and on the road, and will go out alone or with multiple riders. He has started working cattle and has a lot of natural cow, and is not afraid to pull one off the saddle horn. He will do all the obstacles, opens and closes gates, sidepasses to a mounting block with ease, and lays down on command as well. Sonny could go in so many different directions with his diverse skills and super willing attitude. He is the same way every time you saddle him up, even after extended time off. 100% sound, with no issues or vices. Sonny has a genuine "family horse" mentality and is always a pleasure to be around. NOTES: Check out Rowan, he is the flashiest red roan gelding, silver mane and tail, white legs, and by Metallic Cat! Rowan is a trained, finished cutter that has NCHA earnings as well as the quietest, safest trail horse out there. We hauled this gelding to county parks last summer to trail ride and he was a saint, he was my trail mount while pregnant and I truly felt safe on this guy. He knows where his feet are, slow and easy moving, crosses anything you point him at, and doesn't care if he leads the pack or follows in the back. Rowan is super cowy, quick footed, and talented when asked but the best part about him is that he rides to the level of rider on his back. He's very collected and soft, really rides off your seat, completely one hand broke, and we believe he should suite most all levels of riders. This gelding is the whole package, he is super thick made, cool colored, finished cutter, seasoned trail horse, been ranched on, the perfect age, and not to mention has the best pedigree money can buy! NOTES: Rainbows Sisco Frost known as (Jethro) in the barn, He is a real gentleman, very sweet, and easy keeper. He has a very thick built and is 15 hands. His unique gray roan color is outstanding and is a real eye-catcher. We have owned Jethro since he was a 2 year old and have enjoyed him. Jethro is a true gem and is one that the whole family can enjoy. Jethro has been in and out of the arena, he's been ridden by children as young as 4, inexperience riders and first time riders! He does good on trails, crosses creeks, and goes over logs. Jethro is also calm in the arena, he's got a nice lope, smooth turn around, side-passes, spins, soft in the face, moves off leg pressure, rides on a loose rein, and has a great stop. Jethro is calm when you carry the flag, shoot gun, crack whips, and crosses the tarp like a champ. Jethro has been started on team roping and has a lots of potential. Jethro has been used on the ranch to sort calves, pasture roping etc. Jethro's sire has some earnings in the NRHA and has also won money in team roping, Jethro is 100%, he is the real deal and he could be your horse! NOTES: Hooley is a beautiful red roan, 6-year-old gelding. He is one of the coolest colored red roans we've seen. He has a flaxen mane and tail that is to die for! Hooley has a great mind set and is willing to please. We have been using Hooley as a ranch horse and rope horse. We start all our horses the same. We heel on them until they are ready to haul, then we will start heading on them. Hooley has the ideal size to be as good of a head horse as you can ask for. We have been hauling him to the jackpots on both ends. This horse has a very bright future! Hooley also super broke. He will ride and slide and walk off on a loose rein. Hooley is great to drag calves on at the branding. He is also exceptional when sorting pairs. We feel like our horses are premier ranch horses and Hooley is no exception. Hooley is great to ride by yourself outside or with a group of people. When we gather cattle, we will go miles without seeing anyone and never have to worry. Hooley has also been exposed to assorted wildlife and it's never been an issue. We've also used him in a feed yard. He will side pass to open and close gates. Hooley is by One Wicked Time who is an own some of One Time Pepto. One Time Pepto has earnings of \$331,000. He is the 3rd all-time leading side for the NRCHA. Stands 15.1hh. We invite you to come try our horses at our place (it will be fun) and additional vet checks are always welcomed! FMI 940-268-6850 Also, watch for videos on our social media @wilsoncattle

NOTES: "Scotch" is a flashy buttermilk buckskin with four white matching stockings and a blaze face that we have raised from a yearling. We are proud to offer this beautiful gelding, he is very gentle, rides great both in the arena and out on the trails, and we know everything there is to possibly know about him. We have done every ounce of the riding from starting him as a two year old until now. Scotch has a great handle, moves off leg pressure, rides off your seat, neck reins, has a smooth jog trot, and loves to stop. He is athletic when asked but is totally content cruising down the trails. We have hauled him to county parks around IA and MN, he crosses water, wooden bridges, and downfall, doesn't mind if he's first or last in the group, and stands tied at the hitching rail overnight without a fuss. Scotch is great with tarps, flags, ropes, the big bouncy ball, and anything else you want to throw at him. He is built to last a lifetime with his impeccable conformation, heavy bone, and big solid feet. His half-brother Soda sold in last year's Five Star auction and was third high seller. Scotch is one of a kind with his good looks and sweet kind demeanor, don't miss out on this fancy guy! Stands 15hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: Champ is a gorgeous red roan gelding that is simply the "Goods!" He tips the scale at 1340 lbs, stands 15.1 hands and wears a size 1 shoe. Quiet, kid-safe, friendly, stout, smooth, solid, gentle, sure footed, and dependable are just some adjectives to describe him. Champ has flawless conformation; straight legs, 4 solid black feet, short back, good withers, big hip & gaskin, deep heart girth and a pretty baby doll head with big gentle eyes. He is extremely broke to ride and has been a complete joy to own. Champ has a long list of credentials, from a ranch horse to a kids horse and about everything in between. He has headed steers, ponied colts, been to the branding pen, ranch rodeos (C5 Average Champion), fun day shows, over night camping trips, group trail rides, and a pony express ride. Champ is truly a been there, done that type of horse that has been ridden by all levels of riders. He rides just as well in the arena as he does outside. Champ takes his leads, lopes at the speed you ask on a loose rein, steers easily and stops when you ask. We can't say enough good things about him, but probably the best thing about this horse is that he has been Kayla's 7 year old daughter Carley's main horse. Everyday she wants to ride Champ, and everyday he takes care of her whether in the arena or out on the trail. They lope and lope and lope and she has a smile on every circle. He's been a blessing to own and truly does live up to his name. He's been a complete "Champ" for us and is ready to make his next family happy as well. We are proud to say he is the best horse we have offered for sale. UTD on coggins, dental, farrier, worming & vaccinations. NOTES: Dinero is an all around dream! He has a sweet docile disposition, great mind, and lots of chrome!! His smooth trot, extended trot, and a rocking horse lope make him an exceptional Versatility ranch horse, ranch riding horse, and a joy to take on leisure rides. I have owned and trained him since he was a yearling and have done several disciplines on him, from showmanship and english to ranch work and roping, (I am not a roper, he was at a trainer for 4 months to get the foundation). He has done pasture doctoring, tracked the dummy, and started out of the box. Dinero is not spooky or flighty, my 5 year old daughter has ridden him from the walk to the lope and maneuvering around barrels. I showed his sire, Roosta, for 7 yrs acquiring over 150 AQHA points: in ranch riding and a World Championship Top Ten and over \$20,000. In NRHA earnings as well as an NRHA Affiliate Championship. Dinero is his first foal offspring and he is very much like his sire, lots talent and great minded. NOTES: "Duke" is a fancy palomino gelding with the most beautiful baby doll head. He is super talented and has had extensive reining training, everything comes real easy for this colt. We have shown Duke in a ranch riding and ranch pattern class, he took everything in stride, stayed very laid back, and wasn't bothered by the commotion. Duke is an easy turner, big stopper, smooth mover, great departures, and has tons of body control. We have been putting outside miles on him this spring, he crosses all of the trail course obstacles, been tarped and sacked out, and is getting traffic safe. Duke is just coming into the prime of his life, has everything going for him and is darn sure fun to ride. His full brother Boss was fourth high seller in last year's Five Star auction. Don't miss out on this fancy young gelding by Shine Chic Shine! Stands 15hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: "Hale" is the ultimate all-around, versatile, go-to, been there-done that type of gelding as they make. His resume is quite profound, finished on both the head and heel side, breakaway, trail and ranch, and had been cut on as well. Hale had been hauled in the breakaway by the previous owners and used at pro rodeos. He's the same every time you ride him whether you ride him every day or four times a year, and doesn't need to spend all week in the practice pen to go rope on the weekend. Hale has a lot of style to him, can leave hard and flat, big move in the corner, snappy face, and is a hiney dragger in the breakaway and on the heel side. He's fun for a high number roper to go win on but laid back and easy enough for the low numbers as well. Built like a sturdy ranch gelding and rides like his pedigree, this is an outstanding horse that we're proud to have had the privilege to own. Stands 15hh. NOTES: Talk about the whole package! Looks, rideability, talent, disposition, and pedigree. Osage is all of the above. This gelding is one of the NICEST horses we've ever offered. He is a reliable and safe gelding that will catch your eye the second it gets a glimpse of him. Osage is as wide as he is tall. Sired by "THIRD CUTTING" The one and ONLY horse to win 4 NCHA Open Triple Crown Events! Third Cutting has a producing record of champions with offspring earning more than 2.3 million dollars. Osage's dam is just as royally bred as his sire. "CC SUGAR LENA" is an OWN DAUGHTER of the great "GALLO DEL CIELO" aka Rooster 3 million-dollar NCHA sire. Osage has been an absolute pleasure to own. He is the horse that when beginners come over, he goes to work. When the handiest guy on the place needs a great one, he's caught also. Osage has beautiful gates, is smooth riding, and always gentle. Whether you ride him every day or once a week, he's the same horse each and every time you step on him. Osage is really handy to use on the ranch and in the pens. He's had countless cattle doctored off of him on the wheat pasture. He's the go-to dragging horse at branding time and when you see him you'll understand why. He has OLD SCHOOL shape. They aren't built like Osage every day. We have put very novice riders aboard Osage and he's never denied them. Osage stands 15 hands and will weigh a full 1300 lbs. He's got bone like an elephant and the kindest eye you've ever seen on one. Osage stands great for saddling, bridling, shoeing, and bathing. He will load and unload himself out of the trailer. There is nothing you can't love about this horse. For more information call Taylor at 806-654-5490. Give us a call with any questions or to schedule an appointment to try him. It will not be a wasted trip.

NOTES: "Moose" is a big, stunning bay gelding that will get noticed everywhere he goes. He stands a true 16 hands, has tons of muscle and substance, and is super nice broke to ride. Moose is very collected and smooth moving in all gates, has a great handle, rides both English and western, and we believe could really excel in the ranch riding classes. We bought this gelding off of an aged lady that just couldn't climb up on him anymore, she had trail ridden him all over Iowa. She was in tears when it came time to say goodbye, he is a total sweetheart to be around and ride. Moose would make a family 4H horse deluxe, he could easily be shown in all of the classes from pleasure to halter! Stands 16hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: Chance is a serious performance horse for someone wanting to go to the next level. His pedigree is second to none. HF Mobster, his sire, needs no introduction, and his dam is a great producer herself. Chance is bred to be a winner, and has already proven himself in the show pen. This gelding is a NRHA money earner and a NRHA Open Futurity Finalist! We have enjoyed every minute with this amazing gelding. He is gentle and friendly and is always the first horse to meet you. His maneuvers are all solid, smooth, and consistent, and he loves his job. He has auto lead changes, long sliding stops, and incredible spins. We have ridden Chance outside on the trails and on the road, plus done all the obstacles. He has been started on cattle and showed a ton of natural talent on a cow. He is comfortable with a rope and will pull a load off the saddle horn. He is sound with no issues at all. Chance is one amazing athlete and a born performance horse. He's ready to go right back to the reining pen or could easily be a roper, ranch rider, or versatility horse as well. NOTES: Taxi Cab is an extremely gentle, broke, talented, unique individual that is so willing to please. He is a maroon roan color that you rarely see. Taxi Cab stands 15.2 HH and is as stout as you can make one. He has a ton of bone and foot and is built to last. Taxi Cab is bred in the purple and you rarely see a horse bred like him built like him. He is very broke to ride where he lopes collected circles, has nice lope departures, a huge stop, and a nice turn around. Taxi Cab has such a presence about his movement he would also excel in English tack. He rides off of your seat and leg pressure. He is very solid in his lateral movements as well. Taxi Cab is very laid back and takes everything in stride. He is so kind and willing to try anything you ask of him. He is full of cow and has also been started in the roping pen where he is showing a lot of promise in the heading and the breakaway. Taxi Cab has been ridden countless miles outside in Wyoming, and the Arizona desert. He is safe and solid down the trail, and will cross any obstacle in his path. This is a good minded gelding with his whole life ahead of him. He will surely get you noticed wherever you are. Taxi Cab has such a kind disposition, and is willing to please. He is full of talent but is happy to wait on you to do whatever you please. This is a really special gelding that I will be sad to see go. He is versatile and willing to be taken in any direction. NOTES: "Tux" is a thick made, stylish, coal black gelding by Peptos Stylish Oak! He is super fancy broke and has had cow horse training. Tux spins, slides, changes leads, has speed control, soft in the face, and rides off your seat. Kyle successfully showed Tux last summer in all of the ranch classes, bringing home 1st in Ranch Riding, Pattern, and Ranch Halter. He is easy to maneuver, stayed quiet in the show pen, and has also been hauled to county parks to trail ride. We believe Tux has the look and is the whole package to make a high end head horse as well, the options are endless for this horse. He is very talented and cool, but can also ride to the level of rider on his back, his previous owners had given riding lessons to kids with him. Tux has impeccable conformation, straight and correct, big hip and gasket muscles, and a nice wide chest as well as great foot and bone. He is just the right age, perfect height, beautiful, super high bred, and very trained! Stands 15hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: Poco Blackburn Rey, affectionately named by our 3-year-old daughter as Ronald, is a stunning 6-year-old 15.2hh registered Palomino gelding. Ronald is by far the barn favorite. Everyone that handles, rides, and spends time with him, absolutely loves him. I can't say enough about his personality. Whether you are looking for a horse to do a day's work, compete in the arena, go for a leisurely ride down the trail or spend time pampering your equine partner, Ronald has the experience, training, ability, and personality to take care of you. Ronald was started as a 2-year-old. He was given a solid foundation and brought along slowly. He has day worked in Arkansas and Iowa, moving, and sorting cattle and dragging calves. Ronald has also been used to halter train and start colts and pony horses down the trail. We have also tracked and roped the dummy in the arena. Ronald is extremely easy to ride. He one hand neck reins and moves off leg pressure. He is traffic and farm machinery safe. Ronald has smooth and easy transitions from walk, trot, and canter. He knows his leads and has a very nice lead departure. He stands great for the farrier, ties, cross ties, highline ties, hobbles, clips, loves to be bathed and loads himself. Ronald is also the first to meet you at the gate when out in the pasture. If you have any questions or would like to visit about Ronald, please call Terry and Kate at 563-212-4686. NOTES: If you're looking for your next best friend that will put a smile on your face every day, look no further. You are bound to fall in love with this guy when you meet him! "Platinum" or "Baby P" as we call him has all the shape and muscle you can put in one. This is an exquisite palomino gelding with a bald face, half blue eye, and four knee-high white legs. This exceptional gelding has been with us since he was a two-year old and we have done all the training with him. Platinum is FANCY broke and has a classy way of moving with his low head, stylish spins, and easy transitions. Changing leads is so easy that if you even think of changing, he will be there. He is a great candidate for a ranch rider! Platinum is no stranger to sorting cattle, is started on the heel side, and has been used to flag roping events. When he carried the American Flag at a large public event, he stood like a gentleman posing for the crowd. Our six-year-old neighbor loves coming over to ride and love on Platinum. With the one-of-a-kind, dog-like personality this horse has, he can't help but steal your heart. He has been Bri's absolute best friend the past two years and there will be many tears shed when he goes to his new home. Platinum has been trail ridden in the rough country of South Dakota, is beginner friendly, and is as fancy in the arena as you can get. When you are not aboard his back, he will be begging for you to give him scratches. Platinum is an easy keeper, is 100% sound, and has x-rays. We would love for you to come meet your next best friend in person before the sale. Stands 15hh. Video can be found on Brianna's Youtube or our Facebook pages. Please call 515-574-9161 or 605-212-8917 for any question.

NOTES: "Smoke" is a big, pretty dapple gray gelding that is a user friendly head horse. He is quiet and easy to get along with, great minded, and will go any speed. Smoke leaves flat, has a nice move in the corner, strong from the horn, and faces well. He is user friendly enough for the lower number ropers but could also be ridden by the higher number guys as well. Smoke has been ranch on extensively and ridden many miles down the trails and through the pastures. He is safe enough for anyone who can get up on him to ride, he has been ridden by some young girls in the past and they had even played around going through the barrels. Smoke has bone and foot like a cross bred and is definitely built to last a lifetime. Stands 15.3hh. Sound, current on deworming, shoes, radiographs available, and coggins. NOTES: "Vegas" is a thick, compact made son of the one and only Dual Rey! He has been ridden and used all over the ranch, had cutting training, and been hauled to some jackpots on the heel side. He's super gentle, easy to handle and ride, and will adjust to the level of the rider on his back. He is a very smooth mover, lopes out of his tracks, and ready to put his butt in the dirt as soon as you ask. Vegas has a lot of cow to him, fun to work cattle on, and strong from the horn if you need to rope one in the pasture. He's confident out on the trails and will go anywhere you point him. He has the "who's who" of cow horses on his pedigree and it shows with his athletic ability, but even if you put your cowboy hat on backwards by accident you'll be able to get along with Vegas! Stands 14.1hh. Sound, current on deworming, shoes, radiographs available, and coggins. For more info go to www.schmittthorseranch.com or call Riley @ 507-459-8654 or Kyle @ 608-434-4789.

NOTES: Red is a 5 year old gelding that stands 15.1 hands tall. He's a very gentle horse to be around and anybody can ride him! I've owned Red since he was 2 years old. He was very easy to start and just doesn't seem to be bothered by much! Red is very versatile and handles well with any job he is given! I have hauled him a fair amount and he hauls great! I have roped live steers off of him, trail rode him through water, rode him on roads with traffic, ponied other horses quite a bit with him as well. He never raised a fuss through it all! He stands nice for the farrier and is good with being hosed down. He is able to be rode one handed and also knows leg cues, picks up his correct leads from a standstill, turns around, rollback, and stops! This has definitely been a very hard decision to sell him, he is just a fun easy going horse to have around! FMI call 715-533-8275.

NOTES: Allow us to introduce, Pop Rocks! Pop Rocks is a cool looking 5-year-old bay roan gelding! We have used him extensively on the ranch gathering, sorting, and branding calves. Pop Rocks has been ridden miles and miles outside. He has seen all sort of wildlife and numerous obstacles that most horses never get to experience. Pop Rocks will watch a cow and always knows where the right place is to be at the right time. Pop Rocks is fancy broke! He will turn around and stop on a dime. We have hauled and used Pop Rocks from the deserts in Arizona to the sand country in Texas. He is great trail horse to enjoy by yourself or with a group of friends. Pop Rocks has also been hauled around to the ropings and ranch rodeos to be exposed to all the sights. We have been also roping on him in the arena and we think he has talent to be a neat heel or breakaway horse. He has a very fun personality and is one that will get you noticed! He stands 14.3 hands tall. Look us up on Social Media @wilsoncattle for more videos! We want to invite you to come to our home in Canyon, Tx to try Pop Rocks. We also welcome pre purchase exams. Cactus is a beautiful mover and very handy! He moves off your leg and neck reins very well! He is very broke, gentle and very smart! He has a great stop and fancy spin! Cactus has been ranched on and has been used to push cattle and check fence. He rides great outside on any terrain! Jared has started roping on Cactus and he is showing a lot of promise. He is 100% sound and has no vices! He is one you can finish any way you desire! We invite you to come out to our ranch in Bernard, Iowa before the sale to ride him! NOTES: "Big Bird" is a stunning golden palomino gelding with four white matching socks and a blaze face. He is absolutely as gentle as they get, he grabs everyone's attention and he loves every minute of it. Big Bird is big and stout but moves elegant and pretty. He lopes pretty circles, stays collected, rides off your seat, and has a good handle. He is seasoned, solid, and safe out on the trails. Point and go anywhere you please, stays quiet, and isn't the least bit spooky. Big Bird has also been used at some local rodeos by a youth rider to carry the American flag. He is safe for all levels of riders whether it be in the arena or out on the trails. You won't find another gelding that is built like this one with the color and chrome, sweet personality, and that is safe for the whole family to enjoy. Stands 15.3hh. 2014 Buckskin Gelding

NOTES: Butterfinger is one of a kind! He is a 12.2 Buckskin leopard POA Gelding, that has a mane and tail to die for!! One of the prettiest and most unique ponies you will find. Butterfinger, has been rode English and western. He has beautiful movement and absolutely floats across ground. He has a fancy handle, and has been rode lots of outside miles. He has been used at the feed yard as well. Butterfinger would be great in some weekend shows, our little ones have shot their guns off him, carried the flag, even rode him through town to go after a soda. They have literally put him through it all, this is one exceptionally broke and gentle pony! Butterfinger takes both leads, lopes around soft and packs a big stop for a little guy! He is absolutely gentle and honest for every level of rider! Please give Cheyenne or Levi a call if you have any questions! 806-282-7093

NOTES: Here is a gentle, quiet, and highly versatile gelding. Mocha, as we call him, is 4 years old, 100% sound, and stands 15 hands. This good looking guy is bred and trained to be a reiner, plus he's been trail ridden and started on cattle. He is a naturally talented mover, with a good cadence lope, natural lead changes, smooth turns, and a big stop. Mocha came to us as a well started 2 year old and has been in training here ever since. We have exposed him to everything we could think of and he has taken everything just like he should. He will ride quiet down the trail, no matter whether he's with a large group or solo. He handles obstacles willingly and has seen ditches, brush, bridges, tarps, dogs, and traffic. he takes right to the cattle work and has roped the dummy as well as some slow calves. Mocha has no bad habits or problems. He has great ground manners and is a pleasure to handle. side passes toa mounting block and will lay down on command as well. With his kind personality and wide range of skill, Mocha could excel in a wide variety of jobs. Please feel free to contact the Leroy Yoder family with any questions about this guy at 417-432-1088.
