# WELCOME!

## TEXAS DEPARTMENT OF CRIMINAL JUSTICE MANUFACTURING, AGRIBUSINESS AND LOGISTICS

# PRODUCTION SALE

Dear Guests and Potential Buyers,

We would like to extend a cordial welcome to the Texas Department of Criminal Justice (TDCJ) Manufacturing, Agribusiness and Logistics Division's 2022 Horse Sale. We are pleased to once again offer some of the agency's finest bred horses. This year we will proudly offer 75 horses that have been utilized in our Beef Cattle and Security Operations from various regions of the state.

We pride ourselves in our livestock programs and are known for consistently producing some of the highest quality animals in the industry. This comes from many years of commitment, dedication, and hard work by many TDCJ employees and inmates throughout the state that have invested many hours into the care and development of the agency's livestock. We would like to express a well-deserved thanks to the current and former employees and inmates for their efforts.

As we remain committed to quality, we also take great pride in training each horse the same. From the initial hours spent matching pedigrees for a proper mating, to the delicate care at foaling and hands-on approach from birth, we believe in the tradition that "quality time results in a quality product."

As always, we appreciate your interest in our offering of 75 quality horses. We look forward to seeing you in Bryan, Texas!

Billy Hirsch, Director  
Manufacturing, Agribusiness and Logistics  
Division

We rode him for 120 days and then raised colts from him. We have retained daughters out of him for our broodmares band, so he is ready to compliment and improve your broodmares. He will sire colts: with muscle, good bone, that are trainable, good looking, thick made, and stout. These colts have lots of potential to ranch or go to the arena and perform in any discipline. He is 6666's bred on top and out of Waggoner mare on the bottom.
