SELLING

182 Fall Bulls, 154 Registered Spring Bred Females
1 Fall Pair, 176 Commercial Spring Bred Heifers

**Generations of
Breeding for Power
and Performance!**

THE FEMALE MAKING KIND!

welcome

Congratulations Sara on her marriage to Jud Hoffsneider!

Welcome and thank you for your interest in our 39th Production sale! This sale is the culmination of another year's worth of work and preparation, and we are excited to share the fruits of those labors with you.

Our goal at TK Angus has always been to produce bulls that will go on to make our commercial bull customers profitable in the long term. To achieve this goal, we strive to breed cattle that are functional in our environment knowing that bulls that we sell will not only have to sire high quality feeder cattle that will gain and grow, but also sire females that we like to refer to as the "keeping kind." In this sale, we are confident that you will find both bulls and females that exemplify the goals of our breeding program.

In the bull sale we will again be offering large sire groups to afford the buyer the opportunity to put together groups of half, three-quarter, or more related brothers to enhance the uniformity of the resulting calf crops. In the catalog you will find large groups of sons by our herd sires - TK Steamboat, Musgrave 316 Stunner, SAV Downpour, and SAV Circuit Breaker. New sire groups this year will include TK Linebacker, Baldrige SR Goalkeeper, and Frey's Undisputed. We feel confident that both new and repeat customers can find something to fit the needs of their program, and if we can help with that selection in any way, please let us know.

We also want to make sure that you are aware of a change this year. We will be offering to pay half of the livestock mortality insurance premium for your bull purchase. This change will be in place of the first breeding season guarantee.

On the female side, we will be offering all the spring bred females on the ranch. This will include many highlight females that have had great success for us here including several donor females. A special highlight in the female offering will be an SAV Downpour daughter out of the mother of TK Steamboat. Another highlight will be a full sister to the \$650,000 SAV Sensation, a direct daughter of the multimillion dollar producer SAV Blackcap May 4136. She will sell with a fall heifer calf at side sired by SAV Scale House, as well as several other daughters. Please note, we will start the sale with the female lots and then move on to the bull sale after the females are concluded.

Each year as we make our breeding decisions and find herd bulls to bring into our program, we do so with the goal in mind of what needs we have to fill in order to ensure our customers' success. Please reach out to us and let us know what your goals are so that we can help you find the bulls or females that will help you reach them. As always, feel free to stop by the ranch and inspect the offering any time before the sale. We will start with the females at 11:00am and follow directly after with the bulls at approximately 1:00pm. Lunch will be served starting at noon. Hope to see you sale day!

Tim and Kim Martatt
308-360-1601

Can't make it?

Buyers unable to attend the sale may call or send their bids to Tim or Rick Marlatt, sales staff or fieldmen. If you would like to discuss the sale offering, call us (preferable several days before the sale) and describe your needs and budget and we can help select the right genetics for you. We can bid on the animal for you and you pay only the bid price established by the auction. Bids are handled in confidence with SATISFACTION GUARANTEE on all orders.

Health

Interstate health papers will be furnished with every animal selling. Cow herd and bulls are on a complete herd health program. Bulls sell as guaranteed breeders and semen tested. Females have been ultrasounded and sell guaranteed bred however, ultrasound information listed presents the calving dates to the best of our knowledge and is not a guarantee of either AI or pasture breeding.

Trucking

Free delivery on BULLS up to 500 miles with total purchase of \$5,000 or more. Delivery will start after the sale. A \$50 discount will be applied to any bull picked up within 2 days of the sale. FEMALES will be the responsibility of the buyer as soon as the sale is over and settlement has been made. FEMALE purchases need to be picked up within 5 days after the sale as we need to utilize their current pen space differently as soon as the sale is over. TK Angus can assist in helping you find reliable trucking on female purchases at the purchasers expense. Call Bailey Burress at 402-389-1345.

Terms and Conditions

Terms for the sale are cash. Cattle will sell under the suggested terms and conditions of the American Angus Association. All persons attending the sale do so at their own risk. TK Angus assumes no liability, legal or otherwise, for any accidents that may occur. In the unlikely event that any animals shall be proven to be defective, damages resulting from their use shall be limited to their purchase price.

Semen Interest

Selling 2/3 interest and full possession in all bulls unless otherwise noted. Buyer retains all salvage value. TK Angus retains 1/3 semen interest in all bulls.

Volume Discounts

Offered starting at 3 bulls (3%) and increasing 1% for each additional bull up to 10 bulls. Maximum discount of 10% offered.

EPDs current as of October 28, 2022

HOW TO BID ON SUPERIOR LIVESTOCK

WATCH THE SALE. The sale will be broadcast online at SuperiorLivestock.com and SuperiorClickToBid.com.

TURN IN BIDS OVER THE PHONE. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started, simply go online to SuperiorLivestock.com and click on the tab titled "Register for a Buyer Number." Select the registration form for Superior Productions and print the form. Fill it out and fax it to 817-378-3380 with a signature on it, or you can scan and email the form to info@superiorauction.com. You can also mail it in to the address

provided on the form. Upon receipt of this information, Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

CLICK-TO-BID. This is Superior's online bidding platform for cattle buying. Please note that high-speed internet is required - this is not for dial-up or satellite internet. Registration is free, but you must become a member of SuperiorClickToBid.com to sign up. Becoming a member is easy - go to the home page of SuperiorClickToBid.com and follow the outlined steps to get started. Input your information and select a username and password. You will receive an email confirming you are a member. From that point forward, you just have to sign in and select the sale you would like to register for. Once approved by the ranch, you will receive a confirmation email that you are ready to bid!

***For assistance, please call Superior Livestock at 800-422-2117
or Blake Tucker at 308-660-3963.***

Tim and Rick highly recommend contacting Superior Livestock prior to and during the sale to turn in your bids over the phone. We have had customers indicate that they have missed out on purchasing animals due to a lag in their internet service.

HOW TO BID ON DV AUCTION

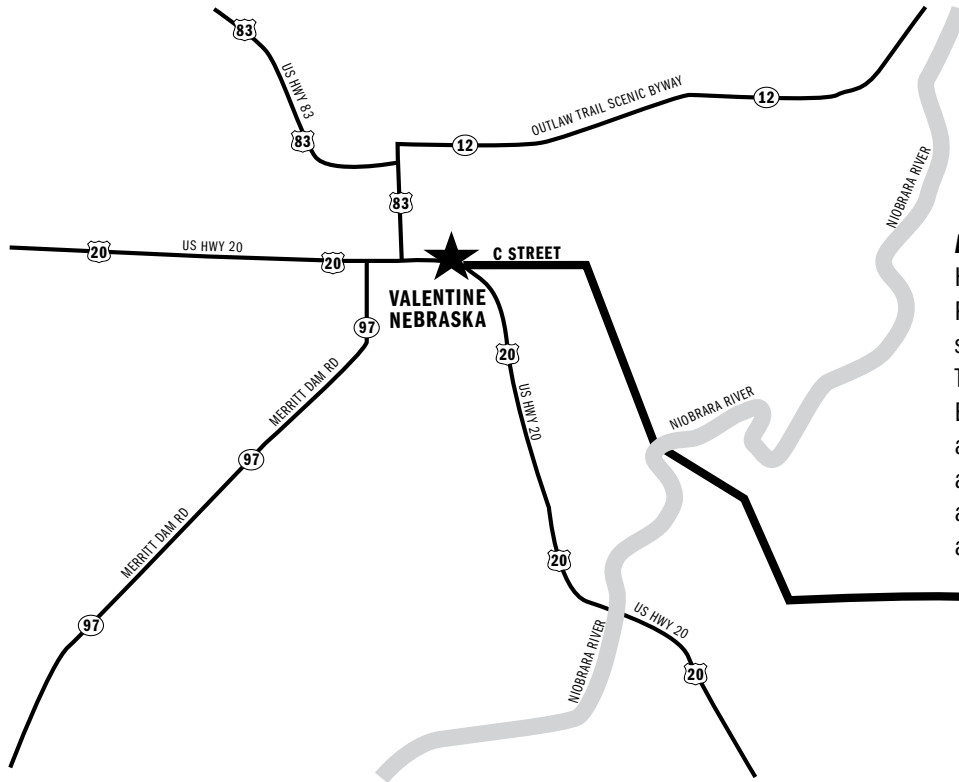

VIEWING. To watch and bid online, simply complete the following steps, Go to www.dvauction.com and create a new account. DVAuction will contact you once you have been approved to bid. They will not provide a buyer number until you have purchased a lot in the sale and that number is only usable for our sale. High speed internet access is required to be able to bid successfully during the sale.

PROXY BIDDING. Follow the instructions above and as the sale date nears, there will be a Proxy Bidding button underneath the sale name on the DVAuction website. You can then place your maximum bid and the system will represent your bid just as if you were there.

***For assistance, please call DV Auction at 402-316-5460
or Justin Dikoff at 605-290-0635***

DIRECTIONS TO THE SALE SITE

Directions to the ranch from Valentine:

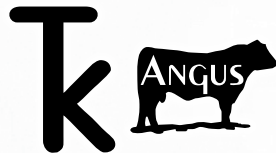

Head east on C Street (north side of Pizza Hut which is located on the east side of town) one mile to substation. Turn right (south), follow the road over Borman Bridge. Continue on the road approximately 4 miles across the first autogate, then continue on to your right at fork in road until you cross the second autogate at the building site.

REAL WORLD DATA, REAL WORLD DEMAND

We felt strongly about making sure that the genetic product that we are producing here was valuable and in demand after it left the ranch. We fed out 185 head of our home-raised steers - the calves that didn't make the cut for the bull sale.

**Those steers graded 100% Choice or better with
57% of them grading USDA Prime.**

If you are selling your TK Angus sired calves, let us know so that we can assist you in making contacts with the feeders that are seeking our genetics.

TK Angus genetics are in demand!

Recommended for cows. Selling 1/2 interest and spring possession. TK Angus will retain 1/2 interest and fall possession. The real deal here. This bull is thick made and wide based, full of red meat and muscle. He is well balanced and soft, with an eye catching profile. He is special. Individual WW and YW ratios of 123 and 116, earning the 2nd highest YW of the offering. His dam is simply stunning. She has an average NR of 117 on her first two calves, and she is the type of female that we want to inject more of into our herd.

**Combining two of our best sires
to make the next great breeding
piece at TK Angus!**

6	1.1	97	165	2.17	31	0.87	1.05	91	176	298

Recommended for heifers or cows. A heavily muscled, expressively topped bull with a big stout hip. This guy has the EPD package to back up the look. He started with a modest 61lb BW and posts top 1% WW and YW EPDs. He is top 2% for scrotal and also posts impressive carcass numbers. Out of a first calf Stunner daughter that weaned him off to ratio 111 at weaning. Granddam has an average NR of 3@112.

Baldrige SR Goalkeeper

Eye catching phenotype with a breed leading numbers package!

The lead-off and high selling bull of our Fall 2019 sale at \$30,000 to Spencer Griffin in Montana. He is extremely thick bodied with a strong top, wide base and tons of depth. Big time growth figures with WW and YW EPDs in the top 3% of the breed but still maintains a sensible frame size. Linebacker is consistently producing deep bodied, soft, easy fleshing cattle and we look forward to utilizing him harder in our breeding program this fall.

Recommended for heifers or cows. This Linebacker son is deep bodied and easy fleshing. He posted individual WW and YW ratios of 107 and 102. His dam has the same look as this guy; deep bodied and soggy made, with an excellent udder. A real power cow. She posts an average NR of 3@112 and had a son sell for \$5,000, and a daughter is retained in the herd.

Recommended for cows. A thick made, stout, soggy bull that has been a standout from the beginning. He posted WW and YW ratios of 110 and 107 to back up his big time growth EPDs. He also boasts a top 1% REA EPD for added carcass merit. His young dam is off to an excellent start, she posts an average NR of 2@114 and her first son was a highlight in last year's sale selling for \$9,000. His granddam is the "5834" donor cow that sells in this sale and is a full sibling to the \$650,000 SAV Sensation.

Recommended for heifers or cows. A soggy, easy keeping Linebacker son with a big birth to yearling EPD spread. That nice soft look is why we are so excited about the Linebacker progeny, they should be excellent female makers. His dam is a heavy milking, good uddered Final Answer daughter that has an average NR of 7@103 and had a son sell for \$8,500.

TK Steamboat D307 was the high selling bull in our 2017 sale when he sold half interest for \$24,000 to JW Simonson, Minert-Simonson Angus. He has been used with great success in their program, the first 29 sons selling in their sale averaged \$7,215. After calving our first Steamboat daughters at the ranch this fall we couldn't be happier with how they look! Bid with confidence on these Steamboat sons for their ability to sire excellent feeder cattle and replacement females.

Recommended for cows. This guy is the real deal. A Long bodied, stylishhipped bull with lots of substance of bone and presence. He backs up his looks with big time performance as well. Individual WW and YW ratios of 112 and 116 respectively, with his YW ranking 4th highest in the sale offering. His dam is a good uddered, high volume Investment daughter. Granddam had an average NR of 5@102.

“The bulls we bought from you last year look fantastic. There was no fall off at all through the breeding season, and they look the best of anything we bought last year.”

SAV Renown 3439 is the \$175,000 lead-off bull from the 2014 SAV sale that continues to have lasting impact on the breed. We have utilized Renown heavily in our program since we were part of the group that purchased him in 2014 and his influence can be seen in the many daughters we have in production spread throughout pedigrees in this catalog.

Circuit Breaker was our pick of the 2018 SAV sale as the lead off and high selling bull in his sire group. Circuit Breaker is a true performance powerhouse from the productive Madame Pride cow family that posted a 205 day wt of 1088 to ratio 115, making him one of the top 4 WW indexing bulls in his calf crop and posts a WW EPD of +82 and YW of +144 ranking him in the top 1% of the breed for both traits. He also had the 13th highest ultrasound IMF score (ratioed 130) and had the largest REA (19.2 in) of the entire offering of 460 bulls at SAV. Circuit Breaker's daughters in production at the ranch are long bodied, feminine, and have nice udders.

Recommended for large framed heifers or cows. A deep bodied Circuit Breaker with a nice long hip. He has a very balanced profile. As our Circuit Breaker daughters age we continue to be more impressed with the females that he is leaving us, and the Pathfinder sires on the bottom side of this guy's pedigree are also excellent female makers as well - Investment, and Contractor.

Recommended for cows. A long bodied Circuit Breaker with proven longevity bred in. This guy weaned off of his dam at an actual weight of 816lbs, she was 16 years old when we weaned him! His dam was AI bred every year of her productive life and the only reason she doesn't have a calving interval of 365 days was she was part of the original group of cows that we rolled from spring to fall to start our fall herd. She has had sons sell for \$6,500, \$6,750, \$3,250 and \$3,000, and has three productive daughters retained in the herd.

Musgrave 316 Stunner was our \$83,000 selection of the 2017 Musgrave sale. Stunner's popularity across the Angus breed continues to grow, especially as his daughters in production age. They are like a fine wine, they continue to improve with age. Stunner's daughters are consistently good uddered, stylish females with body, mass and power. He will go down as one of THE best female making sires in breed history, that is something that we can confidently say given the progeny we have in production here and feedback we have received from other breeders that have used the bull. Bid on these Stunner sons with confidence for calving ease genetics that will produce stout, heavy feeder cattle and exceptional females.

Recommended for cows. A strong topped, wide based Stunner son. The result of what will become a very popular cross here, Stunner on top of Circuit Breaker daughters. His dam is an excellent uddered, fancy first calf heifer. His granddam is a sharp female in her own right with an average NR of 6@101 and had a son sell for \$7,000.

TK Stunner F300 was a highlight of our 2020 sale when half interest sold for to Curtis VanDerVeen of Kansas. F300 is transmitting the same "Stunner" look to his progeny with a little more size and scale. His young dam is off to a tremendous start, with an average NR of 107 on her first three progeny. Her first two sons that sold at auction brought \$15,000 and \$12,000, both going to purebred operations.

Baldrige SR Goalkeeper was the \$90,000 high selling bull of the Baldrige Performance Angus 2020 sale. Along with our partners, we selected Goalkeeper for his impressive phenotype and elite EPD profile to use as an outcross to many of our pedigrees. Goalkeeper is a good footed bull and is extremely docile, and he has been stamping his progeny with thickness and muscle. They came easily at birth and have since developed into thick topped, stout made bulls that should sire excellent feeder cattle.

We were part of the group that purchased SAV Downpour 8794 for \$100,000 in the 2019 SAV sale. A phenotypic standout that stands on as much bone as any bull we had seen in a long time. He is extremely rugged made, has tons of rib shape and capacity and carries extra thickness down his top and through his hip. Downpour's Pathfinder dam is an exceptional female who's progeny have been highly sought after at SAV sales. We calved our first daughters this fall at the ranch and they have not disappointed. They are capacious and deep bodied with good excellent udders.

Recommended for cows. Pure masculinity and rugged power. This guy is loaded with muscle, a big hip and lots of performance. He posted a monster 121 ratio for WW and a 107 YW ratio. His dam is a long bodied, big hipped female who's full brother, SAV Ancestry, sold for \$70,000. She has an average NR of 4@105 with sons selling for \$5,000 and \$3,500 as well as a daughter that was a highlight of our spring sale when she sold for \$6,750. She has a granddaughter that is one of the best females in the replacement pen.

We selected Fullback along with Arrowsmith Red Angus as a \$25,000 feature of the 2020 Ellingson sale. Ellingson's described Fullback as "one of the most dominant phenotype bulls ever produced on our ranch. Rarely do you find a bull with his combination of mass and dimension paired with next-level length of body and a realistic frame package." Fullback is an aggressive breeding bull that stamps his progeny with a big powerful hip.

Frey's Undisputed is a phenotypic standout that was the talk of the Yards at the 2020 National Western Stock Show and stood as the anchor for Frey's Reserve Champion Carload. We purchase the "Pick of the Carload" from Frey's for \$51,000 in the National Western Angus Bull sale and Undisputed easily surfaced as that pick. He stands on a very wide base, and is extremely thick made and powerful for a calving ease bull. His progeny came easily and display a good deal of substance and bone.

Mohnen Worldwide 2617 was our selection of the 2017 Mohnen sale. He is an absolute scale crusher that packs a lot of pounds into a moderate frame. He is a soggy made bull with lots of capacity and a strong, thick top and a stylish hip. He has matured into a very impressive bull with excellent libido, he has seen natural service both spring and fall since he sold as a yearling.

A.I. Service Sires

BREEDING INFORMATION

All females selling will be ultrasound tested and confirmed to be pregnant prior to the sale and will sell as guaranteed bred as of sale day. The ultrasound due date and breeding information is listed to the best of our knowledge however, it is not a guarantee of an AI vs. natural service calf. We are listing the pasture service groups for your reference.

For reference, some of the females yearling weights listed are listed as long yearling weights, and some are 365 day adjusted weights.

Crouch Congress was the \$175,000 top selling bull of the 2022 National Angus Bull Sale at Cattleman's Congress. We selected Congress, along with our partners, to bring in an outcross option to our herd that would bring added carcass merit and a highly saleable EPD tabulation without sacrificing phenotype. Congress ranks in the top 1% of the breed for WW, Marbling, \$W, \$G, \$B, and \$C, top 2% for RE. He also ranks as the #1 Hometown son for reducing PAP score. We think that the mating of Congress on top of some of these females can create progeny with breed leading EPDs and maintain the body, and mass that we expect in our females.

Schiefelbein GOAT (Greatest Of All Time) was our selection, along with our partners, as the \$232,000 high selling bull of the 2022 Schiefelbein sale where he was sought after by some of the top breeders in the business. The GOAT is a low birthweight bull with elite performance numbers, boasting WW and YW EPDs in the top 1% of the breed while still maintaining an ideal frame size. He stands on an impeccable set of feet and legs, is thick topped and loaded with rib shape and muscle. He combines his impressive phenotypic presence with a 17.2 REA and 4.56 IMF. The females carrying his service in the sale will represent some of the first progeny of THE GOAT in the country, get in on the ground floor with this bull!

-4	3.9	85	162	1.28	26	58	0.25	0.56	60	250

Due 1/28/23 to Schiefelbein GOAT 271. Pasture exposed to group A from 5/20/22 to 7/5/22.

This broody Steamboat daughter has a proven pedigree behind her. Her dam has an average NR of 8@105, and progeny ultrasound ratios of 2@108 for IMF and 2@100 for REA. Sons have sold for \$5,000, and \$4,000, and daughters have sold for \$10,000, \$3,750 and \$3,000. A maternal sister to this heifer that sold for \$10,000 in our spring sale was the mother of the lead-off lot 1 bull from our 2021 sale where he sold for \$15,000 for 1/2 interest.

“We purchased a trailer load of cows from TK Angus. The calves are knockouts, phenomenal. I purchased a Stunner daughter that will be our next donor, she is as good as any Stunner in the country. The cows maintained their shape well. They were so bold they wouldn't fit down the alley and chute.”
- Jon Carlson, Carlson Angus Ranch, North Dakota

Due 1/29/23 to Schiefelbein GOAT 271. Pasture exposed to group A from 5/20/22 to 7/5/22.
 Donor alert! A sale highlight to be sure here. This Renown daughter is hard to fault and has the production record to back it up. She has an average NR of 5@112 and progeny ultrasound ratios of 105 and 109 for IMF and REA respectively. Sons have sold for \$8,500, \$8,250, \$8,500 and \$4,000, and daughters have sold for \$5,500, and \$3,750. The calf by GOAT that she is carrying has high ROI potential.

All data will be available at sale time.

This full sister to the \$650,000 SAV Sensation sells along with her fall heifer calf at side by SAV Downpour! A direct daughter of the multimillion dollar producer SAV Blackcap May 4136 that has been a prolific producer for us here. She has eight daughters retained in the herd and if you look through the daughters that sell in this sale, as well as the grandsons that will sell in the bull sale, you can see the phenotypic look that she imparts to her progeny. We plan to AI 5834 to Downpour again this fall, with semen no longer available on the open market, this 3-in-1 package is a rare find.

Due 1/29/23 to Schiefelbein GOAT 271. Pasture exposed to group A from 5/20/22 to 7/5/22.
 A sale highlight here! This long bodied, heavily muscled female is a real power cow. A full brother, SAV Ancestry, sold for \$70,000. This cow has been a good producer for us, she posts an average NR of 105 on 4 progeny. A daughter highlighted last year's sale selling for \$6,750, and a son sold for \$5,000. Her son in this year's sale was one of the top yearling weight bulls in his calf crop and will be a sale highlight. The mating to the GOAT should be an exciting one!

Due 2/18/23 to Musgrave 316 Stunner. Pasture exposed to group A from 5/20/22 to 7/5/22.
 This Steamboat daughter exemplifies what we are seeing from this sire group here at the ranch; a broody, stout made, heavily muscled beef cow that still has an appealing feminine look. Her dam posted an average NR of 102 on 9 progeny with daughters selling for \$3,800, \$2,500, \$3,795, and \$2,500, and sons selling for \$4,250 and \$6,000.

Due 3/16/23 to pasture service. Pasture exposed to group A from 5/20/22 to 7/5/22.
 This Roundup daughter is powerfully built. She is deep bodied and has an excellent udder. Her dam is an all time favorite here at the ranch with an impeccable phenotype backed by an excellent production record. She posts an average NR of 108 on 8 natural calves and has had sons sell for \$13,000, \$10,500, \$6,000, \$8,000, \$5,500, \$9,000 and \$6,000. She has 6 very productive daughters retained in the herd, including a Renown daughter that we have flushed with great success.

Due 1/28/23 to Schiefelbein GOAT 271. Pasture exposed to group A from 5/20/22 to 7/5/22. This elegant fronted female has the look that Stunner consistently stamps his progeny with. Body and mass with a stylish look and a characteristic Angus head. She posted an individual WW ratio of 110. We are excited about the mating of GOAT on top of Stunner daughters, we will have a lot of them born next fall.

Due 1/29/23 to Schiefelbein GOAT 271. Pasture exposed to group A from 5/20/22 to 7/5/22.

A real power cow here that always stands out in the pasture. She is thick, deep bodied and easy fleshing with an eye appealing profile. She backs up her look with an impressive production record; average NR of 4@107 and progeny ultrasound ratio of 145 and 100 for IMF and REA respectively. Sons have sold for \$10,000 and \$5,250 and she has two daughters retained in the herd.

Due 1/28/23 to Crouch Congress. Pasture exposed to group A from 5/20/22 to 7/5/22.

A big hipped, heavily muscled Bullerman Unlimited daughter. We found Unlimited in the Yards at the NWSS were we really appreciated him for his outlier thickness and power. We are really seeing that come through in his progeny, check out the TK Linebacker sons selling in the bull sale, they are special. The cross of Congress on Unlimited that this heifer is carrying should be special.

Due 2/19/23 to Vermillion Commerce J154. Pasture exposed to Vermillion Commerce J154 from 5/20/22 to 7/5/22.

This Stunner granddaughter very much resembles her mother; wide hipped, long bodied and growthy with lots of rib shape and volume. Her sire was the lead-off Stunner son in our 2020 sale when half interest sold to Curtis VanDerVeen of Kansas, he has since been an aggressive and prolific member of our herd bull battery.

Selling **176** *Commercial Heifers*

Chesnut United - A.I. Sire

We had the opportunity to purchase a heifer calf crop from Larry and Chauncey Labrier of Murdo, South Dakota. The Labrier's herd is known for being highly maternal, with excellent uddered, functional females with a 1400lb mature weight female. We have been very impressed with how the heifers have worked for us, and have zero death loss on this group. The heifers were synchronized and AI bred to Chestnut United for a February 27, 2023 due date and then cleaned up with low birth weight TK Angus bulls for 35 days.

Heifers were ultrasound pregnancy checked by Dr. Steve Schumacher DVM. Heifers were poured with Clean Up and given a dose of oral Safe Guard during pregnancy check.

176 heifers will sell in gate cut groups of 5 head or more.

MONDAY, DECEMBER 5, 2022 - 11:00 AM  AT THE RANCH - VALENTINE, NEBRASKA
